## THANK YOU!

We would like to take this opportunity to thank everyone that contributed to the staff's holiday fund. Your thoughtfulness and generosity was greatly appreciated.

The Big Creek Ladies' Golf Association held their annual Christmas party and gift exchange at the clubhouse on Tuesday, Dec. 9. We wished Head Pro Eddie Roethlisberger and Assistant Pro Casey Thoren good luck on their new ventures. Casey had worked with the ladies' league all year and we certainly will miss his sweet spirit!

Big Creek is pleased to announce that Todd Dunnaway will be our Head Golf Professional in 2015. Todd is replacing Eddie Roethlisberger who has accepted the head job at Ponca City CC in OK. Todd is coming to us from Pleasant Valley CC in Little Rock where he is currently the Head Golf Professional under Director of Golf Chris Mayes. Prior to that, Todd was an Assistant Golf Pro at Fayetteville CC and Blessings Golf Club in Fayetteville for a combined eight years.
