Father's Day is Sunday, June 15th!! It's the perfect day to honor that special man in your life with gifts from our golf shop, a fabulous family brunch and a day of golf. What more could a man ask for!!

Our pool is now open and we would like to thank all sports and full golf members for their patience and understanding during the delay. Although all work had been scheduled with plenty of time to open for Memorial weekend, mechanical complications occurred beyond our control.

Please remember that we do not have a lifeguard on duty. An adult must accompany all children under the age of 15. We will have servers for your drink and dining pleasure. Snacks for little ones (4 and under) are allowed otherwise we ask that you do not bring in any outside food or drink.

## BOOK OF THE MONTH ONE SECOND AFTER BY WILLIAM FORSTHEN

A story which can be all too terrifyingly real. One man struggles to save his family and his small North Carolina town after America loses a war that will send America back to the Dark Ages. A war based upon a weapon, an Electro Magnetic Pulse (EMP). A book all Americans should read. A truly realistic look at a weapon whose awesome power can destroy the entire US, literally in one second.
