MARK YOUR CALENDARS!

Please mark your calendar and make your reservations early for an exceptional wine pairing dinner! On Saturday, April 12th, Mr. Mark Ketcham of Ketcham Estate will travel from northern California to host a wine pairing dinner featuring his estate wines. Chef Rick is hard at work creating a menu that will highlight the wine and a detailed menu will follow in future emails.

Mark Ketcham is an enthusiastic wine maker with a great story of how he ended up in the wine business. All of his wines are award winning with limited production, and many are not available to the general public. Due to the caliber of wine, this event will be priced higher than most, but promises to be worth every penny!!

Seating will be limited, and advanced reservations are required for ordering purposes. Regardless of your wine tasting experience, this is one event you don't want to miss!

Here is a list of the wines we will be drinking with retail value of \$32.00 - \$58.00 per bottle. If you would like to read more about Mark please go to: www.ketchamestate.com.

BUNKER PROGRESS

Our club's crew members are busy in the warming weather installing bunker liners on top of the new drainage and pea gravel layers. We are trying a new technique to control future erosion whereby we push the liner up under the edge of the new grass sod that will finish the project. Superintendent Brent Edens predicts that the new sand will be installed and the projects finished by the second or third week of March.

Widowed for the second time at age 31, Katherine Parr falls deeply for the dashing courtier, Thomas Seymour and hopes at last to marry for love. Obligated to return to her court, she attracts the attentions of the ailing, egotistical, and dangerously powerful Henry VIII. Not in a position to refuse the royal proposal, Katherine must wed and become his sixth queen.
