OZARK CUP

The Ozark Cup Match is a competition between members of Harrison Country Club and members of Big Creek Golf and Country Club. It is a two day Ryder Cup Style event on May 16-17. In the past few years we (Big Creek) have had a hard time filling our team, I am hoping that with the new members and the level of excitement around the club that we have a renewed interest in the Ozark Cup matches. If you are interested in playing in the Ozark Cup Matches please come by or call the golf shop (870)425-8815 and sign up by March 15th.

The team consists of 15 players, 12 open division players, 2 senior division (55 and older) players, plus myself, (if you are 55 or over that does not mean you can't play in the open division). If after the signup deadline of March 15th we do not have enough people wanting to be on the team, I will make phone calls to members asking them to help fill out the team. If we have 14 members sign up then those 14 will make up the team, providing two are old enough to play in the senior division. If we have more than 14 sign up to play in the matches we will then qualify for spots on the team. (Details for qualifying to come later)

I am looking forward to building a winning team for years to come and to have bragging rights over Harrison Country Club. If you are interested please come by or call the golf shop before March 15th.
