After wrapping up the rebuild on the two green-side to the left of #15, the club decided to finish plans to remodel the bunker to the right of the green. The bunker has had the half closest to the cart path shrunk and replaced with a sodded mound.

The club ordered some zoysia sod to complete the bunker remodeling on #15 as well as the drainage work on #1. To fill out a truckload we also ordered bermuda sod which is being laid around the fairway bunkers on #8 and #9 where the turf had weakened over the years.

Easter Brunch, LGA, Mix & Mingle, Big Creek's 15th Anniversary

The rain held off to allow an outdoor egg hunt for the 10am seating, but the two other seatings got to search for eggs in the locker rooms. Over 250 members and guests turned out in the light rain for sold out three-seating Easter brunch. A big thank you to the clubhouse staff and crew for providing us all w a memorable Easter brunch.

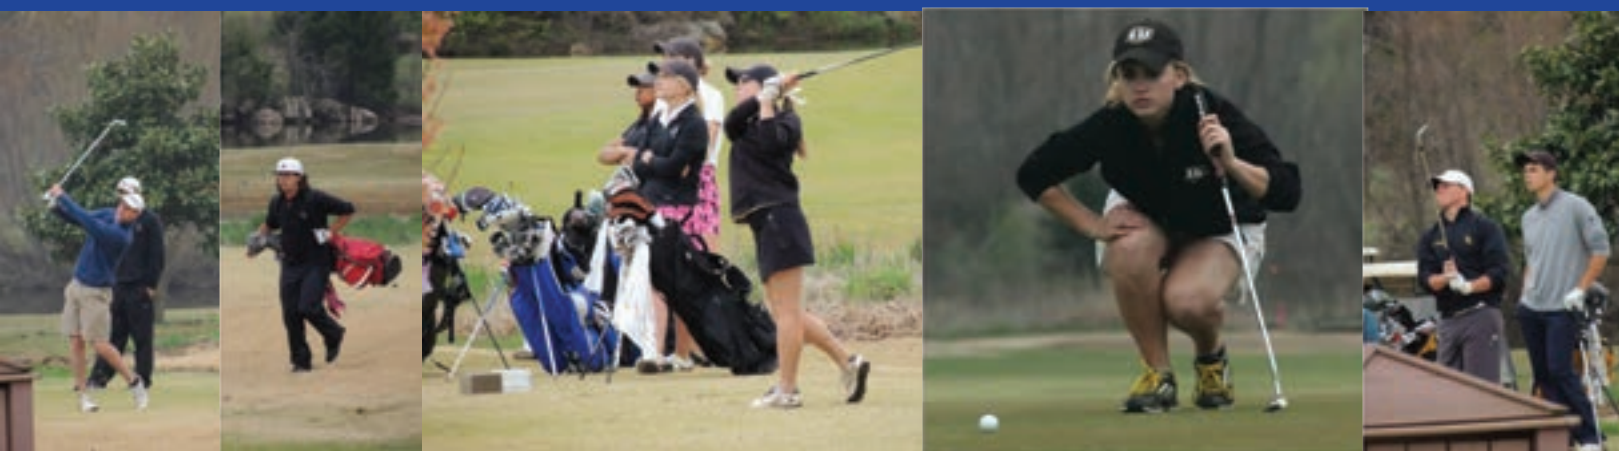

Bear State Bank Invitational

Competition began under cool and cloudy skies at 8am Monday, April 6th, with the men playing in groups of three off #1 and the women playing off #10. Thank to Big Creek members Lou Wood and Brad Morris for serving as starters on the two tees.

On Tuesday, we drove the course from #18 back to #1, so we were able to get shots of all the holes and most of the players. Thanks to the schools that brought their teams to play Big Creek

It was a cold and wet opening day of play for the Big Creek Ladies' Golf Association, but a few women showed up anyway for the rules clinic led by Todd and Scott. (Pictured front row - Corrine Johnson, Pro Todd Dunnaway, and Sherryl Adams; back row - Wanda Kelley, Judy Nosari, Asst Pro Scott Darter, Sharon Butler, Patsy Johnson, Carolyn Helvey, Brenda White, Barb Stockwell, and Brenda Nelson)

The Club had a great turnout Saturday evening (April 25th) for a member mixer. It was a great opportunity for all of our new members to mix and mingle w our established (definitely not old) members. Big thanks to Membership Director Mary Potter and Chef Rick Gollinger and crews for the fun party and good food and drinks.

April 27, 2015, marked the 15-year anniversary of the opening of Big Creek's front nine holes. At 9am that morning the board, as it consisted of at the time, hit the first tee shots. Big Creek investors were welcomed to play the front nine beginning at 3:00 that day. The front nine opened for play to members and their guests only on April 28, 2000, and opened to the public on May 1, 2000. The back nine opened on May 12, 2000.
