

For AMI Days 6-10, I will be giving you a writing prompt for each day. You need to write a paragraph or two with complete sentences and correct sentence structure for each one.

Day 6 - Do you believe that social media is good or bad for the world? Explain your answer.

Day 7 - Which of the 5 themes of geography has affected the CoronaVirus the most and why? The themes are Location, Movement, Human Environment Interaction, Region, Place.

Day 8 - If you could visit one place in the world, where would you go and why?

Day 9 - With all the technology in the world today, there are surveillance cameras all around. Do these cameras recording everyone all the time violate our right to privacy or are they good for protecting us? Explain your answer.

Day 10 - If you could change anything in the world right now, what would you change and why?
