FEATURED BENEFITS OF GLASS:

- Available in regular and non-glare finishes
- Virtually unlimited color options
- Custom graphics available
- Available in magnetic or non-magnetic options
- Erases well, easy to clean
- Stylish, edgeless design
- No frames required
- GREENGUARD Certified

GLASS CONSIDERATIONS:

- Heavy material requires special handling, increased freight costs
- Requires special, more expensive rare earth magnets
- Cost is much higher than porcelain surfaces
- High-gloss reflective surface, difficult to photograph and cannot be used for projection
- Lower contrast surface, written content has a "shadow appearance"

Lifetime Ceramic Surface

FEATURED BENEFITS OF PORCELAIN:

- Great lifetime value, cost is significantly less than glass
- High contrast writing surface delivers a bolder, brighter result
- Scratch and stain resistant
- Erases well, easy to clean
- Surface is durable, long lasting, and comes with a Lifetime Warranty
- Porcelain Steel provides added magnetic hold, rare earth magnets not needed
- GREENGUARD Certified, Cradle-to-Cradle Certified

PORCELAIN CONSIDERATIONS:

- Special color options available on request
- Standard low gloss finish, available in high gloss
- Frameless options available upon request
