

Claridge®

TURN WORKSPACES INTO IDEA PLACES

The #1 Specified
Brand In Education

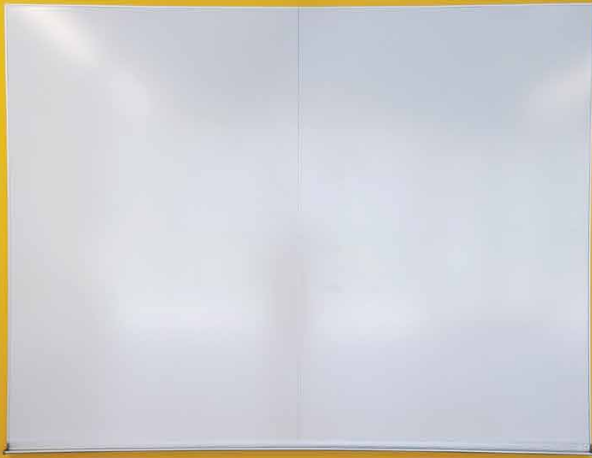

Claridge Glass

Claridge Glass writing surfaces help turn workspaces into idea places by seamlessly facilitating collaboration anywhere creative ideas are flowing. Claridge low iron 1/4" glass markerboards and marker walls feature a silky smooth writing surface that won't ghost or stain, with a durable steel backing to accommodate the use of magnets.

Claridge Glass is available in magnetic, non-magnetic and non-glare options.

LCS³ Porcelain™

Lifetime Ceramic Surface

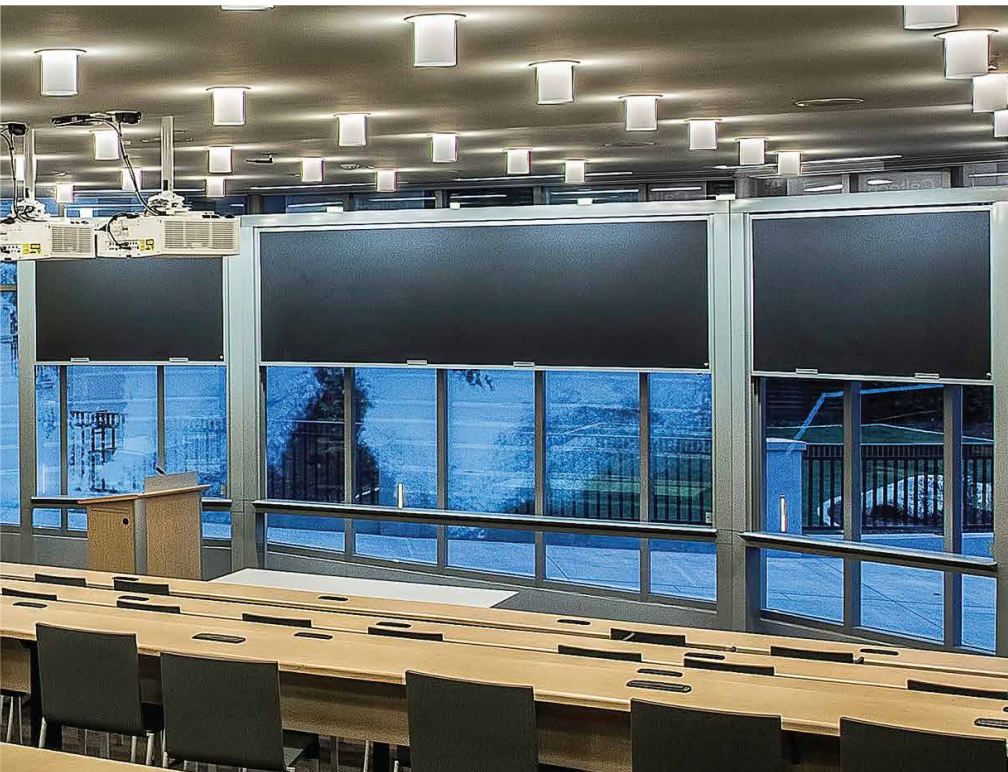

Claridge LCS³ Porcelain™ is the global choice for markerboard and marker wall writing surfaces. This incredibly smooth and clean performing surface provides a great writing experience that will stand the test of time. With its chemical and scratch resistant surface, Claridge LCS³ Porcelain delivers unbeatable durability, unmatched erasability and low maintenance throughout a lifetime of use.
