Children Receive Scholarship

CareCenter would like to sincerely thank **Mountain Home Christian Academy** for gifting (2) scholarships to children whose parents are part of the CareCenter Ministry Team. CareCenter is a proud supporter of MHCA!

Special Message by Vanessa Peglar, MHCA Staff

My children have been attending Mountain Home Christian Academy since we discovered it in 2007. It is a non-profit private school that teaches biblical principles and a Christian worldview right alongside Math, History, Language, and Science. We have been encouraged by the hearts of the teaching staff, the leadership of the administration, and the love that's displayed there.

One of the best attributes of our school is that MHCA has a low student to teacher ratio. This allows our teachers to offer more one on one care if a student should need extra attention or counsel. Another benefit of MHCA is the way in which problems are handled. When there is an area of need that requires addressing or correction, the staff balances grace and truth from God's Word. It is effective and I've seen it be life-changing. Another thing I love about MHCA is that Truth is being taught. From the origins of the world to details about the founding fathers of our nation; this school offers a biblical perspective of these subjects.

We are most excited about a program called Enrichment Fridays. This will serve as an opportunity for students to explore some non-traditional learning through family enrichment (outside of school) or educational enrichment (at school). We love family-time!

Each school Friday is a full day of learning activities that are planned and intentional for further growth and development that will include community service projects, local field trips, and life skills instruction for those that choose to attend. Core classroom teaching, testing, and homework assignments will occur Monday through Thursday and students will not be counted absent on Fridays.

The statistics for young people who abandon their faith after high school are staggering. I believe MHCA is part

of the solution. This school is a partner to parents in discipling. It is affordable and a great option for families in the Mountain Home area. Scholarships are also available to those that qualify. We love the heart of service that CareCenter demonstrates in our community; our students have seen it as well. We are grateful to have been included in their after-school program called "Men and Ladies of Honor". Time invested in the lives of people is never wasted.

Conference Highlights

What can we say about September's Enlighten Women's Conference? It was an incredible time of powerful, life-changing testimonies, worship and fellowship with others within the community who desire to bring light to the darkness in our area. If you were there, you already know you won't want to miss it next year! If you missed this one, we hope you'll join us next time!

Special Thanks To:

After Grace, Robin Robinson, The Call of Marion County, Informed Choices, On Time Ministries, Rene, Ashley, Cierra, Dawn, Brandy, Cassie, Deb, Jackie, and Jordan.

Winner Selected for the New RV!

Congratulations to Lynn Santelli for winning the 2018 Retro Camper! The winning ticket was drawn at the Baxter County Fair on Saturday, September 15th at 8:00pm and broadcasted live on our Facebook page. This RV was provided by Great Escapes RV Center of Gassville and all proceeds went towards Care-Center Ministry. Everyone here at Care Center wishes you and your family many happy trails!

Congratulations to Brad for 2 years with CareCenter!

You are a true blessing to the ministry and we look forward to seeing God's plan unveiled in your life.

Men & Ladies of Honor First Baptism

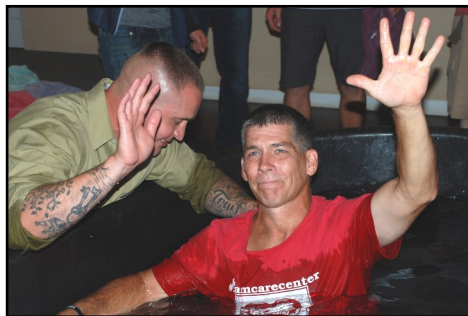

Leaders of the Men and Ladies of Honor program were blessed to facilitate the first baptism for one of their youth program participants, Nathanile Ross. CareCenter Ministries would like to congratulate Nathanile!

“My name is Brandy Hughes and I’m 29 years old. I grew up here in Mountain Home. I have been blessed with two children. I struggled with addiction, oppression, and depression for over 10 years. They were very dark years of my life. I managed to stay clean for five years but felt unfulfilled. I’ve had numerous trips to jail and prison. I even graduated drug court but I was missing the Love of the Father. I have been radically saved and God has started to restore my life piece by piece. I believe God has called me to ministry. For the first time in my life I feel like I have a purpose and identity through the Lord. I have been blessed with a wonderful spiritual family here that I’m so grateful for. I have found a new way of life. I’m really excited and look forward to this journey of faith in the Lord.”

**Ramp Installed
For Elderly Man**

An 80 year old man was in need of a wheelchair ramp in order to come home from the hospital. Several people, including his doctor, referred him to CareCenter for help and the ramp was installed immediately by the Care-Center team. If you know of someone in need, reach out!

“Hi, my name is Michael R. Hobbs and I was a slave to sin for 12 years with little sign of hope for change. I was facing a prison sentence when God open the door for me to come to CareCenter Ministries. I was lost and broken to say the least. When I got here it was evident right away that the Lord was calling me for a greater purpose, but that it was going to be tough, so I submitted my life in surrender to Jesus and he began working on me. I’ve been here for almost 4 months and I’ve experienced his love and his faithfulness as he’s provided more than enough counsel, kindness, and help from fellow Christ-living servants. I’m more than grateful for this ministry and I have no words to describe the wonderful experience I have had here so far . I am currently anticipating transitioning into the leadership to continue to serve Jesus, and give back the same love that it is being given to me!”

CareCenter Ministries greatly appreciates your generous gift and partnership!

CareCenter Ministries Mountain Home is a Christ-centered outreach organization with transformation at its heart. Transformation of broken lives, desperate families and entire communities. Through faith-based programs, we are impacting those in need by strengthening the hand of the poor. We believe that hands-on discipleship, and being deeply involved with those who are lost and broken, is necessary for this transformation. CareCenter Ministries is a 501c3 and completely privately funded. If you wish to donate to this ministry, please go to our website (www.carecentermh.org) or mail to: P.O. Box 354, Mountain Home, AR 72654. We appreciate your love and support! God bless you and your family!
