*I am very excited and honored taking office as Mayor of Diamond City. I am embarking on a new chapter in my life as a new year begins. I am looking forward to the opportunity of serving our citizens, businesses, and visitors to our community and surrounding areas.*

*I promise to do my best at being fair, honest, and open minded with integrity. I am taking on tremendous responsibility that comes with many unresolved issues. At the same time I see so much prosperity and growth potential. But most of all I see a united community that loves and cares not only for their neighbors but for their community as a whole.*

*As your new Mayor I want to say thank you for electing me. I am very proud to be able to say I live and represent the community of Diamond City, Arkansas.*

*I will be posting a Mayor's Newsletter at least once a month after the regular Council meeting to try and keep you up to date on the happenings in the City as wells as the progress of the City Council and the City on important issues.*

*Thank you very much!*

*Yours truly,*

*Mayor Linda Miracle*

*P.S. Would love to see each and every one of you at the monthly Council meetings!*
