BATESVILLE 
AREA CHAMBER OF COMMERCE

Welcome!

CRYSTAL JOHNSON
Chief Executive Officer

As the Chief Executive Officer of the Batesville Area Chamber of Commerce, it's my pleasure to introduce you to Independence County. Our community is unique thanks to the award-winning cities, businesses, residents, non-profits, churches, and community leaders who work together as we continue to grow.

The Batesville Area Chamber of Commerce is one of the largest Chambers in Arkansas with over 500 members, representing over 16,000 employees. Our organization has been a leader and a catalyst for positive growth and development for over 50 years.

As an advocate for business and community excellence, the Chamber was a leading partner in the development of our economic and community development strategic plan, IMPACT. The plan is used as a tool that allows us to compete in the marketplace as a progressive and changing community.

I invite you to learn more about our Chamber and community by visiting www.experienceindependence.com. I look forward to meeting you!

Meet our Team

JAMIE RAYFORD
Chief Operating Officer

KYLE CHRISTOPHER
Tourism Director

SHELLY HENDRIX
Membership Director

For communities to thrive, they must have strategic long-range plans. In 2015, Lyon College, the University of Arkansas Community College at Batesville, and the Batesville Area Chamber of Commerce piloted a grassroots strategic planning initiative to develop a vision for the community.

More than 1,200 surveys were completed by Independence County citizens. The survey yielded results that led to the development of four citizen-led IMPACT hubs—Economic Prosperity, Educational Excellence, Healthy Living & Well-Being, and Tourism. Each hub has developed IMPACT project objectives that will ensure a thriving future for Independence County.

For more information about IMPACT Independence County or if you would like to get involved please contact the Batesville Area Chamber of Commerce at 870-793-2378 or visit www.impactindependencecounty.com

EXPERIENCE INDEPENDENCE

Outdoors

POLK BAYOU

If it's outdoor adventure you seek, you will find it in the most geographically diverse landscape in the State of Arkansas.

WATER SPORTS & FISHING

Polk Bayou was the first site of settlement in the Batesville area, and it remains a hot spot for outdoor enthusiasts today. Polk Bayou (or "Poke Bayou" as it is sometimes called) winds along the northern and western boundaries of Batesville and spills into the White River. Fishermen, kayakers, canoers—nature lovers of every sort—enjoy the Bayou and its versatile recreational opportunities. The mighty White River offers an assortment of boating adventures from fishing to skiing. Visitors may access the river at the new boat ramp located at Kennedy Park.

WALK, HIKE, BIKE, CLIMB

Batesville Greenway

The Batesville Greenway is a multi-use trail that accommodates walkers, joggers, runners, and cyclists. The current trail system begins at the new Batesville Community Center and Aquatics Park and makes a loop through Riverside Park, Batesville High School and the adjoining neighborhood. The Master Walking and Biking Plan adopted by the city of Batesville in 2017 will result in the expansion of the Greenway to encircle the entire city of Batesville. www.batesvilleparks.com

Blanchard Springs Caverns

Blanchard Springs Caverns is one of the most spectacular and carefully developed caves found anywhere in the world. It is located in the Ozark National Forest and is believed to have been formed, and continually changed, by an ongoing mountain spring that pours into a glassy-surfaced trout pond, called Mirror Lake, below the cave.

Jamestown Crag

The Jamestown Crag is the only sport climbing destination in North East Arkansas. With over 100 sport climbing routes and miles of hiking trails, the Crag has become a hot spot for outdoor recreation in Arkansas. For more information, check out the Facebook page or contact the Nomads at arkansasnomads@gmail.com.

Loco Ropes

Loco Ropes is an unforgettable, state-of-the-art canopy experience located just a short drive from Batesville at the Ozark Folk Center State Park. www.locoropes.com

Lyon College

You don't have to be enrolled in classes to enjoy the outdoor amenities Lyon College has to offer. Over three miles of single track mountain bike trails are sure to excite even the most experienced cyclist. The campus also features a disc golf course, bouldering wall, and ropes course. The full lineup of activities offered can be found at www.lyon.edu.

LOCO ROPES

LYON COLLEGE MOUNTAIN BIKE TRAILS

The Course at Eagle Mountain

The Course at Eagle Mountain sits atop the Batesville golf community. The 18-hole championship course appeals to all golfers. The course is semi-private and offers membership, daily fee play, and residential opportunities. www.tcaem.com

Hollywood Bowl

Open seven days a week, Hollywood Bowl provides family fun at an affordable price. www.hollywoodbowl.weebly.com

Independence County Shooting Range

The complex consists of three skeet and five trap fields as well as an archery field. The range also includes voice-activated release systems. www.indcotrap.net

Mark Martin Museum

The Mark Martin Museum provides a glimpse into the career of racing legend and Independence County native Mark Martin.

The Melba Theater

Originally constructed in 1875, the Melba was eventually remodeled in art deco style and became one of Arkansas's first cinemascope theaters. In 2016, the theater was completely remodeled to include state-of-the-art technology and now offers an "Experience to Remember." And the best part is ticket prices are only \$4.00! For show times visit www.melbatheater.org.

Old Independence Regional Museum

The museum presents the history of a 12-county region. The museum's exhibits are frequently updated to reveal the unique history of its home county (Independence County) and the surrounding area. www.oirm.org

Batesville Area Arts Council

The Batesville Area Arts Council is a non-profit organization dedicated to providing community access to the arts. They work to increase awareness of the arts in Batesville and surrounding areas through educational programs, art exhibitions, workshops, and community art projects. www.batesvilleareaartscouncil.org

Batesville Symphony League

The Batesville Symphony League partners with area supporters to showcase the talents of local string, wind and percussion musicians. 870-613-2630.

Gallery 246

Gallery 246 is another great art gallery located on Main Street. Their mission is to bring together artists—professionals to amateurs—to improve Batesville's beloved downtown. www.gallery246.com

Independence County Library

The library provides programs and services to the residents of Independence County and is governed by a five-member library board. The library recently expanded into a 25,000 square foot space, which includes a unique children's area, dedicated teen space, and community room. www.indcolib.com

North Arkansas Dance Theatre

The mission of the North Arkansas Dance Theatre is to provide Arkansas communities and schools with a rich cultural experience through the fine art of classical ballet and other dance forms. www.nadt.info

Batesville Motor Speedway

The Batesville Motor Speedway provides fun and fast entertainment in the Batesville area. The summer schedule is packed with family-friendly events and ends with a championship finale in early fall. www.batesvillemotorspeedway.net

City of Batesville Community Center & Aquatics Park

Batesville's crown jewel was completed in 2017. This facility features a 25,000-square foot gymnasium for athletic and community events. The indoor aquatics center features a 25-meter by 25-yard competition pool, a zero-depth entry children's pool, and a zero-depth entry heated therapy pool. The outdoor aquatics park is sure to amaze with two two-story spiral slides, a 400-meter lazy river, tanning decks, and much more.

East Main Sports Complex

The East Main Sports Complex is one of the newest and finest sports facilities in Batesville. Here you will find six U6/U8 soccer fields, two full-size soccer fields (one with lights for night games), two practice areas, a pavilion, a horse arena, a concession stand with accessible bathrooms, and a playground.

Kennedy Park

Located on the south side of the White River, this park is great to visit in any season, but especially during the late spring, summer and early fall months. Kennedy Park's playground is located under a grove of trees and is perfect for the little ones on sunny, summer days. There are restroom facilities and pavilions for picnicking and family reunions. Kennedy Park is unique from Riverside Park in that Kennedy Park is home to the Mark House Memorial Boat Ramp and Pavilion. After a full day at the park, exploring the dam and sand bar, unload your boat and watch the sunset on the beautiful White River. Parking will not be an issue, so bring your boat and family and enjoy an entire day at the park or on the river.

Municipal Golf Course

This quaint nine-hole, Bermuda grass course is located near the White River. The Municipal Golf Course was built in 1974 and has plenty to offer for the new or experienced golfer. With two different sets of tees to complete the 18-hole track, you are afforded a second chance at the course if you faltered at first.

Riverside Park

Riverside Park is a park located alongside the beautiful White River and is the most visited park in Independence County. Playgrounds, walking paths, pavilions, and a large amphitheater can all be found here. This is also the home of the annual White River Wonderland Christmas display.

Terry Sims Diamond Sports Complex

This complex contains seven dedicated baseball fields, two dedicated youth softball fields, two baseball/softball fields, three dedicated adult softball fields or three T-Ball fields to suit your needs.

Arkansas Scottish Festival

Each April, Lyon College holds the Arkansas Scottish Festival, one of the premier Scottish festivals in the United States. Established in 1981 as the Highland Games, the festival is emblematic of the college, its Scottish heritage, and its Presbyterian connection. Join Lyon College for a weekend full of piping competitions, delicious food, and unique handmade crafts.

www.lyon.edu/arkansas-scottish-festival

White River Water Carnival

The White River Water Carnival will celebrate its 76th event on September 7th, 2019. The Water Carnival is a celebration of everything that makes the Batesville area great: food trucks, a classic car show, a BBQ contest, live music, kids' activities, and exciting entertainment right on the White River. www.whiteriverwatercarnival.com

White River Wonderland

Each year the City of Batesville transforms Riverside Park into one of the largest Christmas light displays in the entire state. The light display will begin the day before Thanksgiving and is open nightly until New Year's.

Citizens Bank, Local Students Benefit from Unique Partnership

(Seated on couch, from left) Logan Johnston, Amber Stanfield, Aaliyah Travis, Layton Foppiano & Megan Lewis; (top row, from left) Chasity Reeves, Madalyn Willis, Paige Brumley, Bryce Brokaw, Ana Hernandez, Karson Douglas, Grace Carter, Koby Rich, Kristin Sherrill, Brandle Davidson & Connor Wheeler.

Citizens Bank’s nationally innovative Student Board of Directors is a partnership between Citizens Bank and Independence County’s School Districts and Educators. The partnership provides Student Board Members with unique leadership and educational opportunities, training in banking and finance and personal introductions to business, health care and community leaders throughout Independence County.

Each Student Board Member serves a two year term and participating students are selected by school officials.

Members of the 2018-2019 Citizens Bank Student Board of Directors and the high schools they represent include:

Batesville:
Seniors Amber Stanfield & Madalyn Willis;
Juniors Karson Douglas & Ana Hernandez

Cedar Ridge:
Seniors Bryce Brokaw & Grace Carter
Juniors Aaliyah Travis & Connor Wheeler

Midland:
Seniors Brandle Davidson & Chasity Reeves
Juniors Paige Brumley & Layton Foppiano

Southside:
Seniors Logan Johnston & Koby Rich
Juniors Megan Lewis & Kristin Sherrill

Delivering a better state of health for Batesville and beyond

Whether you’re spending time in the area or just passing through, you never know when you may need expert medical care. Fortunately, the skilled team at UAMS Family Medical Center is nearby and ready to meet your health care needs.

As a part of Arkansas’ only comprehensive health sciences university, UAMS Family Medical Center is delivering quality care and services to Batesville and surrounding communities.

LYON COLLEGE

Lyon College is a four-year liberal arts college affiliated with the Presbyterian Church (U.S.A.) that draws students from around the globe into the Batesville area. For nearly 150 years, Lyon College—with its low student-to-instructor ratio, first-class faculty, and high retention and graduation rates—has been a huge asset to the Batesville area and provides an exceptional collegiate experience for its students.

Founded: 1872

2300 Highland Rd., Batesville | 870-307-7000

UNIVERSITY OF ARKANSAS COMMUNITY COLLEGE AT BATESVILLE

UACCB is a comprehensive community college committed to providing learning experiences that improve the lives of those we serve. UACCB provides affordable access to technical education and college transfer programs that meet the diverse higher education needs of the citizens of north central Arkansas. The College also promotes economic development and an enhanced quality of life for the community through adult education, developmental education, customized business and industry training, and continuing education programs.

Founded: 1991

2005 White Dr., Batesville | 870-612-2000

www.uaccb.edu

Midland School is the premier district in Arkansas designated as a Lighthouse District for building a P-12 culture of STEAM teaching and learning through a transdisciplinary approach that focuses on critical thinking and exploration practices. A robust 21st Century after-school program along with a caring, small-school atmosphere leads to an environment in which faculty and students collaborate to seek solutions in a globally-connected world.

PREPARING TODAY'S STUDENTS
TO BECOME TOMORROW'S LEADERS.

WE BELIEVE:

- Everyone can learn, grow, and improve.
- Everyone should be cared for and valued.
- In providing the best learning environment for all.
- In high expectations for everyone.
- Education should be engaging, relevant, and rigorous.

CEDARWOLVES.ORG

#bettertogether

Our goal is create a unified learning environment that promotes collaboration between our students, families, teachers, and administration that benefits us all individually and collectively. We are truly better together.

COLLEGE

THE INDEPENDENCE COUNTY PROMISE

A GATEWAY TO HIGHER EDUCATION

When it comes to the future and fabric of a community, there may be nothing more crucial than **education**.

The Independence County Public Education Foundation was formed to address the importance of K-12 and continuing education for improving quality of life and bolstering economic prosperity in the region. At a time when financial barriers to college and low-wage jobs pose significant challenges for American families, the Foundation has worked in conjunction with the IMPACT initiative for excellence to bridge the educational gap in Independence County. The resulting Independence Promise scholarship program will provide greater access to higher education for students throughout the county.

In July of 2018, the Public Education Foundation met with area school, community, and business leaders to publicly announce the launch of the new program, which had already begun accepting applications for the upcoming semester. The group celebrated this highly collaborative achievement, remarking on the positive change it will bring over time. Independence Promise will support students in transitioning from high school into higher education and career training by offering scholarships for concurrent classes and certifications. Two different local institutions, UACCB, a two-year community college, and Lyon College, a four-year college, joined the cause with full support and helped develop the plan. Both welcomed the increase in enrollment and the added connection to the community.

The program is designed to help students begin college coursework before graduating high school. It aims to engage students early on and shorten the time from high school to entry into the workforce, while removing economic barriers which threaten to limit students' futures. Exposure to the collegiate experience places young people on the path toward degree completion and motivates them to think beyond high school. For students who many not have considered attending further schooling or training, the Independence Promise plays an essential role as a gateway to the many options available through higher learning. With this plan, students can see the cost of their postsecondary education dramatically decreased or eliminated. Though concurrent classes and internships are not entirely new, the Promise plan greatly expands on the purpose, availability, and effectiveness of other models.
