PELL GRANT DELIVERY NOTICES

Pell Grant delivery timing will depend upon when courses begin and if the student's Pell Grant is based upon new rules for year round Pell Grant.

- Pell Grant awards that **ARE** based upon federal rules for year round Pell Grant will not be delivered prior to the sixth (6th) aid eligible hour beginning. This could delay any Pell Grant delivery until the middle of July depending upon the individuals enrollment and eligibility.
- Pell Grant awards that **ARE NOT** based upon federal rules for year round Pell Grant, for course(s) that begin before June 6th are delivered in the middle of June, otherwise they will be delivered in the middle of July.

NOTE: A student being eligible for YEAR ROUND PELL GRANT depends on how much Pell Grant the student has or has not received during the preceding Summer, Fall, and Spring semesters. To be eligible to receive YEAR ROUND PELL GRANT, students must be in a minimum of 6 financial aid eligible credit hours in summer. The 6 credit hours do not have to be taken during the same time frame, but dropping or withdrawing from a financial aid eligible course before the 6th financial aid eligible credit hour begins will change a student's eligibility for YEAR ROUND PELL GRANT.
