You have been selected for a process called verification. Being selected for verification can happen when a FAFSA is filed or changed in any way. The Office of Scholarships and Financial Aid must compare the FAFSA data submitted by the student with the information on this worksheet and other required documents. If there are differences, the FAFSA data may need to be corrected. The school may ask for additional information. For more information regarding this process, please contact the Office of Scholarships and Financial Aid at 870-508-6195.
