# Healing For Women

**Residential Recovery Center**

## JOHN 3:17

### MINISTRY

## THE CHURCH AT REMMEL COMMUNITY FOR CHRIST

John 3:17 is located in a rural setting on property owned by the Remmel Church. Residents will have the opportunity to attend all meetings of the Remmel Church, where they will be welcomed and accepted as part of the family.

John 3:17 offers recovery services at no charge to the residents and their families. Churches, individuals, businesses and frequent fundraisers are the source of funding.

John 3:17 is committed to helping each resident understand and reach her full potential. This is done in a nurturing environment that provides family support, open and honest communication, and recognition of individuality. Supervision and enforced boundaries also help in the process of restoring health and happiness.

## THE VISION

To See individuals and families healed and in a vibrant relationship with Jesus Christ.

**John 3:17** is a 501 C3 faith-based, Christian Recovery Center for women. Women who have made a commitment to overcome addiction(s), make positive lifestyle changes, develop spiritually, improve parenting skills, and become productive members of society spend their time in our safe, nurturing environment.

Not only is it a recovery center, **John 3:17** is a family. The residents maintain a sense of community and belonging by helping with household chores and grounds keeping. This provides teaching opportunities and helps build positive relationships. Each resident is expected to work in the community as opportunities arise. As each resident grows in a relationship with God, she will learn to live by His standards, thus developing healthier relationships with others.

Residents are taught through a mentoring relationship with a Christian woman who resides at the **John 3:17** home and with other Christian women who volunteer their time. There is also guided Bible study, GED classes, and training in parenting and life skills.

## We Are Growing

John 3:17 is expanding our facility to serve more women. Your contributions help restore fractured lives and families, and we cannot do it without you. Please give!
