# Construction

Construction is moving along nicely. Thank you all for being patient with us as we are under some major renovations of our facility.

# Reminders

It is getting very cold outside so please remember to send your child in weather appropriate clothing. Please make sure to **label everything** that you send to school with your child to prevent anything from being misplaced.

If your child is sent home they are not to come back the following day and must be symptom free for 24 hours.

Friendly reminder that our doors close at 4:30pm

Here is some helpful information about how to keep your child safe AND warm this winter!

Remember to never buckle your child into their car seat with their winter coat on.
