Arkansas State University-Mountain Home strives to maintain an environment free from discrimination and harassment, where employees treat each other with respect, dignity, and courtesy. The College adheres to the principle of equal educational and employment opportunity without regard to age, race, color, gender, disability, religion, sexual orientation, gender identity or expression, genetic information, or national origin.
Welcome!

Welcome to ASUMH – we’re so glad you’re here! Located in the heart of the Ozark Mountains, our campus is one of the most beautiful in the state. If you want to get a true feel for what it’s like to be a student here, schedule a tour. You’ll get to tour classes, academic facilities, labs and administrative offices. You’ll talk to current students, faculty and staff. It’s a great way to experience what college is really like, and we’re guessing that once you visit, you’ll want to stay!

FEDERAL
Federal Financial Aid includes Pell Grants, Work Study and Veteran and Active Duty Assistance. Your first step is to complete and submit the Free Application for Federal Student Aid (FAFSA) online at fafsa.ed.gov. ASUMH’s financial aid school code is 042544.

STATE
Arkansas offers many opportunities to apply for scholarships and aid to help pay for college. Arkansas students need to complete the Academic Challenge Scholarship (lottery) application at scholarships.adhe.edu. There are also the Career Pathways, ARFuture Grant, Workforce Challenge, Governor’s Distinguished Scholarship and more.

LOCAL
Local scholarships are plentiful, and while most are competitive, many are program-specific. ASUMH General Scholarships are available to any student who applies for admission to ASUMH – covers more than 20 of our institutional scholarships. The Promise Scholarship is provided through the Mountain Home Education Foundation for MHHS graduates, and information is available on the MHEF website at https://www.mountainhomeeducationfoundation.com.

More Information About Scholarships can be found on our website at www.ASUMH.edu

Help Your Wallet
Save Money and Get Financial Aid

More than 85% of students at ASUMH receive scholarships or financial aid. The Office of Scholarships and Financial Aid works closely with incoming and current students to help fund and achieve their educational goals. The counselors are here to guide you through the financial aid process and to help you take advantage of all the great opportunities to help pay for school.
Get Involved
We’ve Got Something for Everyone

Clubs + Organizations:
From the Future Teachers Club to the Student Ambassadors, from the Environmental Science Club to Phi Theta Kappa, from PBL (Phi Beta Lambda) to BCM (Baptist Collegiate Ministry), and more – we have a way for you to be involved! With over 20 student organizations, there is more than one way to get involved in the campus community. Your life as a student here is at the heart of what we do and we want you to find a group who really gets you!

Free Equipment Rentals:
At Arkansas State University-Mountain Home, we believe that college can be so much more than just an education! That’s one reason that we have so many options for outdoor equipment rentals: kayaks, canoes, tents, hammocks, and much more for outdoor fun!

Intramural Sports:
Stay active on campus by getting involved in our intramural sports! Join your fellow students to play basketball, flag football, volleyball, soccer, disc golf, regular golf...you name it and we’ll get a team together to play it! While we do compete against each other and other college intramural teams, these sports are just for fun—so no pressure if you aren’t the star athlete! And if fishing is more your style, we have a fishing team that will have you competing against college students from across the nation.

Student Activities:
College can be about so much more than just going to class and doing homework, so at ASUMH, we’re always hosting events for our students. Whether it’s to have fun or to gain more knowledge, we’re constantly planning fun things for our students to do!

Tutoring Center:
Because we want our students to be successful, we offer FREE tutoring in any subject! Maybe you’re not seeing how x=42 or maybe the process of mitosis is just blowing your mind, we completely understand! Our Tutoring Center has a full time tutor, as well as faculty and student volunteers, who are here to help you succeed in your classes! All you need to do is stop by and ask for help!
