ASUMH Memberships and Affiliations

- Add Arkansas Association for the Assessment of Collegiate Learning (AAACL)

DEGREE PROGRAMS

- Degree name correction: ASLAS **Associate of Science in Liberal Arts & Sciences**
- Remove (pending ADHE approval)

Degree name correction: **Associate of Science in Liberal Arts & Sciences**

- Degree Code: 1090 CIP Code: 24.0102
- Remove – Pending ADHE approval

Associate of Applied Science in Automotive Systems Repair

- Change to MATH 1103 Technical Math or higher-level mathematics course

Associate of Applied Science in Business Administration Accounting/Finance Emphasis

- Change to BUS 1413 Business Math or higher-level mathematics course

Associate of Applied Science in Business Administration Business Operations Emphasis

- Change to BUS 1413 Business Math or higher-level mathematics course

Associate of Applied Science in Computer Technology and Networking

- Change to MATH 1113 Applied Math or higher-level mathematics course

Associate of Applied Science in Criminal Justice

- Change to MATH 1113 Applied Math or higher-level mathematics course

Associate of Applied Science in Cybersecurity

- Change to MATH 1113 Applied Math or higher-level mathematics course
- Add POSC 1003 Introduction to International Relations to Cybersecurity Content
- Cybersecurity Content correction to 30 credit hours
- Correction to Program Total 63 Hours

Associate of Applied Science in Digital Design

- Change to BUS 1413 Business Math or higher-level mathematics course

Associate of Applied Science in Hospitality Management

- Change to BUS 1413 Business Math or higher-level mathematics course

Associate of Applied Science in Mechatronics

- Change to MATH 1113 Applied Math or higher-level mathematics course

Associate of Applied Science in Paramedic Technology

- PAR 2118 Clinical Practicum I – incorrect course number
- Course number correction PAR 2128 Clinical Practicum I

Page 110 **Associate of Applied Science in Programming/Mobile Development**

- Change to MATH 1113 Applied Math or higher-level mathematics course

Page 115 **Associate of Applied Science in Welding
Gas Metal Arc Welding Emphasis (MIG)**

- Change to MATH 1103 Technical Math or higher-level mathematics course
- Correction to Emphasis Area courses required
WELD 1234 Intermediate Gas Metal Arc Welding
WELD 1304 Advanced Gas Metal Arc Welding
Welding Elective (4 credit hour course)
Welding Elective (4 credit hour course)

Page 117 **Associate of Applied Science in Welding
Gas Tungsten Arc Welding Emphasis (TIG)**

- Change to MATH 1103 Technical Math or higher-level mathematics course
- Correction to Emphasis Area courses required
WELD 1434 Intermediate Gas Tungsten Arc Welding
WELD 1504 Advanced Gas Tungsten Arc Welding
Welding Elective (4 credit hour course)
Welding Elective (4 credit hour course)

Page 114 **Associate of Applied Science in Welding
Pipe Welding Emphasis**

- Change to MATH 1103 Technical Math or higher-level mathematics course

Page 120 **TECHNICAL CERTIFICATE PROGRAMS**

- Construction Technology – remove (pending ADHE approval)

Page 121 **Technical Certificate Plan Accounting/Finance**

- Change to BUS 1413 Business Math or higher-level mathematics course

Page 122 **Technical Certificate Plan Automotive Systems Repair**

- Change to MATH 1103 Technical Math or higher-level mathematics course

Page 123 **Technical Certificate Plan Construction Technology**

- Construction Technology – remove (pending ADHE approval)
- Health Professions – remove (pending ADHE approval)
- Change to MATH 1103 Technical Math or higher-level mathematics course

Page 126 **Technical Certificate Plan General Business**

- Change to BUS 1413 Business Math or higher-level mathematics course

Page 127 **Technical Certificate Plan Health Professions**

- Additional choices added:
 - BIOL 1024 Human Anatomy and Physiology for Healthcare Professions & Lab, **OR**
 - BIOL 2004 Human Anatomy and Physiology & Lab I, **AND**
BIOL 2014 Human Anatomy and Physiology & Lab II
- Health Education Core changed to: (4 – 8 credit hours)
- Area of Emphasis changed to: (Select 1 area)

- Program Total changed to: 32 – 38 Hours
- Page 129 **Technical Certificate Plan Hospitality**
- Change to BUS 1413 Business Math or higher-level mathematics course
- Page 130 **Technical Certificate Plan Information Systems Technology**
- Change to MATH 1113 Applied Math or higher-level mathematics course
- Page 133 **Technical Certificate Plan Paramedic Technology**
- PAR 2118 Clinical Practicum I – incorrect course number
 - Course number correction PAR 2128 Clinical Practicum I
- Page 127 **Technical Certificate Plan Professional Medical Coding**
- Additional choices added:
 - BIOL 1024 Human Anatomy and Physiology for Healthcare Professions & Lab, **OR**
 - BIOL 2004 Human Anatomy and Physiology & Lab I, **AND**
 - BIOL 2014 Human Anatomy and Physiology & Lab II
- Page 132 **Technical Certificate Plan Mechatronics**
- Change to MATH 1113 Applied Math or higher-level mathematics course
- Page 139 **Technical Certificate Plan Programming/Mobile Development**
- Change to MATH 1113 Applied Math or higher-level mathematics course
- Page 140 **Technical Certificate Plan Web Development**
- Change to MATH 1113 Applied Math or higher-level mathematics course
 - Degree Code: 2005 CIP Code: 11.0401
 - Remove – Pending ADHE approval
- Page 141 **Technical Certificate Plan Welding**
- Change to MATH 1103 Technical Math or higher-level mathematics course
- Page 145 **CERTIFICATES OF PROFICIENCY**
- Construction Technology – remove (pending ADHE approval)
 - Health Professions – remove (pending ADHE approval)
- Page 152 **Certificate of Proficiency Plan Construction Technology**
- Degree Code: 4501 CIP Code: 46.0000
 - Remove – Pending ADHE approval
- Page 153 **Certificate of Proficiency Plan Criminal Justice**
- Course number correction – CRJ 2033 Juvenile Delinquency
- Page 157 **Certificate of Proficiency Plan Health Professions**
- Degree Code: 0945 CIP Code: 51.0000
 - Remove – Pending ADHE approval

Page 165 **COURSE DESCRIPTIONS**

Page 167 Add course and description

- ART/CIS 2003 Typographic Illustration
Introduces typographic fundamentals and terminology using digital print processes and emphasizes skills necessary for creating vector-based graphics using drawing tools in the Adobe Illustrator software application. (F)

Page 168 AUTO 1403 Automotive HVAC – Incorrect course number

- Course number correction AUTO 1402 Automotive HVAC

Page 173 BUS 2423 Accounting/Finance Analysis and Applications – Incorrect course number

- Course number correction BUS 2422 Accounting/Finance Analysis and Applications

Page 177 CIS 1133 Mobile Development – Incorrect semester offering

- (F) Semester offering correction CIS 1133 Mobile Development

Page 179 Add course and description

- CIS/ART 2003 Typographic Illustration
Introduces typographic fundamentals and terminology using digital print processes and emphasizes skills necessary for creating vector-based graphics using drawing tools in the Adobe Illustrator software application. (F)

Page 181 CIS 2733 Linux – Incorrect course number

- Course number correction CIS 2463 Linux

Page 181 CIS 2913 Ethical Hacking – incorrect course number

- Course number correction CIS 2913 Ethical Hacking

Page 190 FUS 2223 Funeral Service Management and Merchandising – Incorrect semester offering

- (F, S) Semester offering correction FUS 2223 Funeral Service Management and Merchandising

Page 200 ORT 1001 First Year Experience – incorrect course number

- Course number correction ORT 1011 First Year Experience

Page 205 Add course and description

- POSC 1003 Introduction to International Relations
Familiarizes the student with the field of International Relations in the discipline of Political Science. Focuses on the political and economic interactions among the various actors in the international systems including states, inter-governmental organizations, non-governmental organizations, and multinational corporations. (F)
