PAYMENT OF TUITION AND FEES

Tuition and fees are payable in full at the time of registration. Students may use cash, check, credit or debit cards for payment of tuition and books. Those who have sufficient financial aid approved prior to registration may charge tuition, fees, and books to their account.

Prior to the beginning of a semester, pre-registered students' accounts are verified to determine if students will be self-paying or have been approved for financial aid. Students not approved for financial aid or who have not made payment prior to the first day of class will be dropped from their classes. These students are given the opportunity to re-enroll during late registration contingent on available classroom seating. The payment verification process is repeated on the last day to add classes during late registration.
