2020-21 Amanda Gist Elementary School Improvement Plan

OUR TRIBE IS ALL IN

Amanda Gist Elementary School provides holistic opportunities for each student to reach their full potential.

Collective Commitments

- We will monitor each student's learning to inform and improve instruction whether it be in a traditional school, virtual or blended setting..
- We will provide families with resources, strategies and information to keep them engaged in their child's education.
- We will work collaboratively and take collective responsibility for the success of each student.
- We will hold ourselves accountable for student learning and developing each student's potential.
- We will model everything we expect from our students, including life-long learning, positive behaviors, and respect.

Amanda Gist Elementary School Improvement plan is a continuous cycle of studying data, planning for improvement, following the plan, checking on the success of the plan, then starting all over again by studying the data, planning for improvement, following the plan, and checking for success of the plan, etc.

Arkansas did not administer the ACT Aspire test for 2019-20.
