

## **2020-2021 Cotter Junior-Senior High School Improvement Plan**

The Cotter Junior-Senior High School is committed to provide all students with the skills necessary to succeed in a diverse, changing, global society. Opportunities for developing skills in technology, critical thinking, and communication will be available at all grade levels.

### **Collective Commitments**

We will monitor each student's learning to inform and improve instruction.

We will provide families with resources, strategies, and information to keep them engaged in their child's education whether in school, virtual, or blended environment.

We will work collaboratively and take collective responsibility for the success of each student.

We will hold ourselves accountable for student learning and developing each student's potential.

We will model everything we expect from our students, including life-long learning, positive behaviors, and respect.

### **Plan**

ACT Aspire testing was not performed in Arkansas for the 2019-2020 school year.

### **Do**

Staff members are being trained in the Science of Reading.

Teachers of all subjects will be encouraged to incorporate literacy strategies into their lessons.

Math teachers are implementing a new curriculum and teaching strategies.

After-school tutoring in core subjects will be provided for students.

**Check**

Data from STAR Reading and STAR math as well as classroom assessments will be used to monitor student progress.

**Modify**

Adjust tutoring and teaching methods as needed.
