

# Informed Choices

## *Women's Center*

### ***YOUR CHANGE . . . CHANGES LIVES!***

Sanctity of Life Sunday 2021 is fast approaching, January 17th! Churches continue to recognize the third Sunday in January as Sanctity of Life Sunday where churches across our nation commit to observing the sanctity of life while praying for the unborn.

The Baby Bottles for LIFE Drive provides the perfect teaching opportunity that God is both our Creator and Redeemer. We live in a culture today where Christians need to be reminded that God created us in His image. For Christians, human life is sacred and a gift from God which is to be respected and protected.

Informed Choices Women's Center's Baby Bottles for LIFE Campaign uses *YOUR CHANGE* to *CHANGE LIVES!* Your coins and cash help mothers and their unborn babies. It is a unique and simple way to involve all members of your congregation to support those in our community facing a crisis pregnancy. Church congregations bless and give hope to mothers by filling baby bottles with coins and cash.

Informed Choices Women's Center will be happy to deliver baby bottles and bulletin inserts for your congregation. We are looking forward to see how God uses you in this baby bottle drive.

Thank you for your involvement!

Standing for LIFE,

Angie Steinhorst  
Center Director
