## BIG CREEK US OPEN DAY TOURNAMENT RESULTS

Big Creek members played one of our biggest events the Saturday of the US Open. Superintendent Brent Edens and interim pro Mark Morton set the course up the same distance as Torrey Pines played with high roughs and super-tough hole locations.

Members played a one-man scramble and then chose a "partner" for a better-ball score from the pros that made the cut that weekend over lunch in the grill.

Mark paired the members' scores with their pros' Sunday score to reach a net score to determine the winners. Listed are the members' gross scores on their own ball with the net score after. As you can see, the choice of pro made a big difference in the final results.

Members with the highest scores drafted a partner first with the best scores drafting last from remaining players.
