

Curriculum Committee Meeting Agenda
McClain Hall M108
September 23, 2022
10:30 a.m.

Call to Order

Consideration / Approval: April / August meeting minutes/addendum

Old Business:

- **Consideration of Request for Clarification** RE: ACT requirement / equivalencies for BIOL 1024 from Apr 22, 2022 meeting ([see highlighted area - page 3](#))

New Business:

Consideration of Approval of Three Proposals from the School of Arts and Sciences:

- *Include Quantitative Reasoning as an option toward satisfying the math requirement for the Certificate of General Studies*
- *Add two history courses to the ASB degree plan as options under Social Sciences*
- *Add two history courses to the AA degree plan as options under Social Sciences 3rd group*

Official Recognition of one notification from the School of Health Sciences RE: Program Outcomes for the TC in EMS. This program was inadvertently omitted when the others were submitted in Spring 2022.

Official Recognition of three notifications from the School of Business and Technology:

- Updated CIS outcomes
- Automotive CP SLO correction
- CIS 1053 Prerequisites
