Proposal – Stephanie Beaver, Director of Admissions Discussion resumed for the modification of Academic Distinction Scholarship. The proposal is to move the scholarship to a tiered system and allow for out-of-state students to be eligible for this scholarship. It is being returned for the following reasons: specification of tentative implementation, equivalency scores for SAT/ GED/ Accuplacer to a 24 ACT composite, and the need for GED students to qualify for the scholarship with a placement score, not just their GED exam score.

Meeting adjourned at 11:16 a.m.

Next meeting scheduled for 10:00 a.m. on April 14th
