GHIN REMINDER:

USGA GHIN Handicap system will be used for all Member Events at Big Creek. This will be done so that Tournaments are fair and competitive for any caliber golfer. Please contact the golf shop to be put on the USGA Handicap system, or email James.Stanofski@Bigcreekgolf.com

ATTENTION:

Denim is no longer allowed on the course.

GOLF COURSE ETIQUETTE:

- Please repair ball marks on the greens
- Please Rake Bunkers
- Please repair divots with sand
- Please follow cart rules, the reason we are having to sod hole 15 is due to the lack of this

STROKE PLAY IS CONCLUDED:

Senior stroke play and junior stroke play both concluded August 13.

DRIVING RANGE NEW HOURS:

The driving range will now be open from 8:00 am to 6:00 pm.

SCORE CARD COLLECTING - STARTING OCTOBER 1ST:

Golf shop will start keeping score cards to collect and adjust golf course handicaps (this is done to change the hole by hole handicap). Anyone who is playing with a group that can verify their score for holes please turn in to the golf shop. There will be a box on the golf shop counter for this. We will need a combination of tees from Men (from Blue to Gold) and Ladies (Red) so anyone can help with this. Please be sure to have names on the scorecard and date. We will need to have 500+ scores to calculate new hole by hole handicap. (these are the handicaps you see on the course that makes hole 7 the hardest hole currently)

SODDING GRASS HEADS UP:

On the golf course, we will be sodding Tahoma 31 Bermuda grass around a few of the greens that have yet to have the collars sodded. We will start with 7 green, then 14, then the Chipping green. Our plan for the chipping green is to expand the green we added in front of the bunker, and to unite the two with Tahoma sod and/or bentgrass to create a "Horseshoe green". We are still debating on the best way to preserve our collars for winter. The best option may be to cover the collars for the months of December, January, and February. Unfortunately, there's no great option to protect our collars during winter, but we will do the best we can.

BOOK OF THE MONTH

TAKE MY HAND

WRITTEN BY: DOLEN PERKINS-VALDEZ

Montgomery, Alabama. 1973. Fresh out of nursing school, Civil Townsend has big plans to make a difference in her community. She wants to help women make their own choices for their lives and bodies. But when her first week on the job takes her down a dusty country road to a tumbledown cabin and into the heart of the Williams family, Civil learns there is more to her new role than she bargained for.

Inspired by true events and a shocking chapter of recent history, *Take My Hand* is a novel that will open your eyes and break your heart. An unforgettable story about love and courage, it is also a timely and uplifting reminder that one person can change the world.
