

Vexus® Aluminum Boats and Trailers Limited Warranty (North American Purchasers)

Advanced Marine Performance®, LLC dba Vexus® Boats (“Vexus®” or “We” or “Us”) agrees to provide this limited warranty, and by accepting delivery of your Vexus® aluminum boat and/or trailer you likewise agree to the written terms of this limited warranty. This limited warranty gives you specific legal rights and you may have other rights that vary from state to state.

A. LIMITED WARRANTY COVERAGE

Vexus® warrants to you as the first North American retail purchaser of this Vexus® boat and/or trailer, or to you if you are an eligible second North American retail purchaser as described below (“you”), that Vexus® will repair or replace covered defects in materials or workmanship that occur and are reported to Vexus® or its authorized dealer within the applicable limited warranty periods, subject to the terms, conditions and exclusions stated below. All warranty periods run from the date of delivery of the aluminum boat and/or trailer to the first North American retail purchaser, unless delivery to that first North American retail purchaser takes place more than twenty-four (24) months after the date of manufacture, in which case the limited warranty period runs from the date of manufacture, not the date of delivery. All limited warranties run concurrently. Any question on whether a defect requires repair instead of replacement, or vice-versa, will be for Vexus® to determine in its best and sole judgment.

Coverage for Structural Hull Defects

A “Structural Hull Defect” means a substantial defect in the aluminum boat hull’s external structural welds or in its internal structural hull components (stringers, ribs, bulkheads and transom) which causes the aluminum boat to be unfit or unsafe for general use as a pleasure craft under normal operating conditions.

External Structural Hull Welds -- For the first North American retail purchaser of a new Vexus® aluminum boat, the limited warranty coverage period for external Structural Hull Defects in external structural hull welds runs for as long as that first retail North American purchaser continuously owns the boat. For an eligible second North American retail purchaser as spelled out below, the limited warranty coverage period for Structural Hull Defects in the external structural hull welds will run for up to five (5) years from the date the limited warranty period began to run for the first North American retail purchaser, but no longer.

Internal Structural Hull Components (stringers, ribs, bulkheads and transom) -- The limited warranty coverage period for Structural Hull Defects in internal structural hull components runs for five (5) years.

Coverage for Non-Structural Parts and Components

For the following listed non-structural parts and components, the limited warranty coverage period runs for two (2) years:

1. Carpet fade
2. Steering helm, cylinder, hoses and cables
3. Aeration pumps, valves and timers
4. Bilge pump
5. Aluminum boat electrical system
6. Seat pedestals
7. Fuel tanks
8. Deck hardware such as locks, cleats and fasteners
9. Factory installed battery charger(s)

For any remaining covered non-structural parts and components, the limited warranty period runs for one (1) year.

For Factory Installed options, the limited warranty coverage period runs for one (1) year.

Coverage for Vexus® Trailer: The limited warranty period runs for three (3) years.

Coverage for Exterior Cosmetic Painted Finish of Boats and Trailers (Peeling or Fading): The limited warranty period runs for two (2) years.

Second Purchaser Coverage

This limited warranty extends and is issued only to the first North American retail purchaser. However, any remaining second North American purchaser limited warranty coverage that is allowed to be transferred by the terms of this limited warranty may be transferred to an eligible second North American retail purchaser for a non-refundable recording fee of \$200 (made payable to your authorized Vexus® dealer), which must be paid within fifteen (15) days of the second North American retail purchaser's date of purchase. However, to be eligible for the transfer of such second purchaser coverage, if any, the second North American retail purchaser must purchase the aluminum boat and/or trailer directly from the original North American retail purchaser or from an authorized Vexus® aluminum dealer. Proof of the second North American purchaser's purchase date is required. This limited warranty may only be transferred **once**. Vexus® reserves the right to reject a limited warranty transfer request that is otherwise allowable to an eligible second North American purchaser, if the transferred coverage is for a Vexus® aluminum boat and/or trailer that has been damaged, neglected or otherwise previously excluded from limited warranty coverage.

B. LIMITATION/EXCLUSION OF IMPLIED WARRANTIES

This written limited warranty is the sole and exclusive express warranty from Vexus® regarding your Vexus® boat and/or trailer and there are no other express warranties which extend beyond those outlined in this limited warranty. There are no implied warranties from Vexus®, unless required under applicable law, and ALL IMPLIED WARRANTIES (INCLUDING ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE) ARE EXCLUDED AND DISCLAIMED WHERE ALLOWED BY APPLICABLE LAW. ANY IMPLIED WARRANTIES (IF APPLICABLE) ARE LIMITED TO THE MINIMUM PERIOD OF TIME ALLOWED UNDER APPLICABLE LAW. Some states do not allow limitations on how long an implied warranty lasts, so the above limitations may not apply to you.
