TENANT SELECTION CRITERIA

The tenant selection criteria shall be used for all HUD, Rural Development, HOME and/or LIHTC properties under rent-up and/or management by the Management Agent. The policy of the Management Agent is one of equal opportunity and non-discrimination in compliance with all Civil Rights legislation(1964,1968,1988) Section 504 of the Rehabilitation Act of 1973 and Affirmative Fair Housing Marketing requirements as set forth individually for each property. No applicant will be denied on the basis of race, color, religion, sex, familial status, handicap, or national origin. Applicants must meet all HUD, Rural Development, HOME and/or LIHTC and Management Agent tenant selection requirements to gain admission to a property rented or managed by the Management Agent. This is federally assisted housing.

The property manager is not allowed to complete any paperwork for an applicant or resident that is associated with the application process, move-in process, or recertification process. Reasonable accommodations will be offered in the application and interview process to any handicap/disabled applicants when requested

This property is designated as a _____ property.

1. APPLICATION/ ELIGIBILITY

All persons interested in any property rented or managed by the Management Agent may request an application either in person (or through a designated individual) at the local on-site office during posted office hours; or request an application to be mailed by calling the local phone number posted on the project sign at _____. A fax request for applications may be sent to _____. TDD telecommunication is available by calling **1-800-285-1131**. Applications are available even if a sizeable waiting list exists.

If the waiting list were ever closed at any property operated by the Management Agent, a notice of closure would be advertised in the local newspaper as well as posted on the bulletin board. No applications would be issued or accepted while the list is closed except for possible preference exceptions or applications for barrier free apartments. Waiting list will be closed if there is a wait of more than 1 year for a unit. When the waiting list is re-opened, a notice of opening would be advertised in the local newspaper as well as posted on the bulletin board. Applications would once again be accepted.

An application must be completed in full by the applicant and submitted either in person to the local office or via mail to the local office. No application other than the one mailed or given in response to an inquiry may be used. The application contains requests for all information necessary for determining initial eligibility. Applicants may request assistance in completing the application if necessary. The Management Agent's policy is to assist wherever possible especially with accommodation requests by persons with disabilities or handicaps. All applicants whose application is not complete will be notified within 10 days of receipt, in writing. While the office will track all applications and

requests for additional information, no application will be placed on the waiting list until it is complete. When a complete application is received, or the requested information is received subsequently to make it complete, the application will then be logged by date and time received. If a vacancy at the property exists, or is expected within the next 90 days, the verification-selection process will begin immediately in regard to the income, assets and allowances for certification and the Management Agent references for selection or rejection.

The application contains several release forms, which must be signed to authorize the office to verify all items inclusive of credit history and other references. The Head of Household, the spouse or co-head, and all other adults (age 18 and older) in each applicant family must sign an Authorization for Release of Information (HUD Form 9887 and 9887/A) prior to being accepted and every year thereafter. For those properties with an existing waiting list and no current or known upcoming vacancies, preliminary eligibility will be satisfied by using information on the application. Placement of an application on the waiting list does not denote final tenant selection. That can and will occur only after complete processing.

All applicants who submit a completed application (or when an application becomes complete) will be placed on the waiting list. The unit for which the family is applying for must be their only residence. The family's annual income must not exceed program income limits. Any applicant, who exceeds income limits for eligibility based upon application information, or if ineligible during later processing, will be notified in writing that they are ineligible. Similarly, any applicants who are not eligible due to eligibility requirements for an elderly/disabled project would also receive a notice of ineligibility. However, should the property have permission (or will be seeking such permission) to rent to ineligibles, the income ineligible application would be maintained on the waiting list.

Per HUD guidelines all properties are required to ensure that during a fiscal year at least 40% of the units that become available, together with initial certifications of in-place tenants, serve extremely low-income families. If an owner has actively marketed available units to extremely low-income families and has been unable to achieve the 40% target for admissions and initial certifications, the owner is permitted to rent to other eligible families after a reasonable marketing period has expired. Reasonable marketing period is defined as 60 days.

If this is a Post-1981 universe Section 8 property applicants are considered income eligible if they are very low income (50% median). Total household gross income is compared to the per person income limits. Those at 50% or below are income qualified.

Non-citizens (except those age 62 or older) must sign a Verification Consent Form and submit documentation of their status or sign a declaration that they do not claim to have eligible status. Non-citizens age 62 and older must sign a declaration of eligible immigration status and provide a proof of age document. U.S. citizens must sign a declaration of citizenship. Owners may establish a policy of requiring additional proof of

citizenship for those declaring to be U.S citizens or nationals. Only U.S. citizens or eligible non-citizens may receive assistance.

Assistance in subsidized housing is restricted to the following: a. U.S. citizens or nationals; and b. Noncitizens that have eligible immigration status. 2. All applicants for assistance must be given notice of the requirement to submit evidence of citizenship or eligible immigration status at the time of application. The entity responsible for receiving the documentation, where possible, must arrange to provide the notice in a language that is understood by the individual if the person is not proficient in English 3. All family members, regardless of age, must declare their citizenship or immigration status. Noncitizens (except those age 62 and older) must sign a Verification Consent Form and submit documentation of their status or sign a declaration that they do not claim to have eligible status. Noncitizens age 62 and older must sign a declaration of eligible immigration status and provide a proof of age document. U.S. citizens must sign a declaration of citizenship. Owners may establish a policy of requiring additional proof of citizenship for those declaring to be U.S. citizens or nationals. 4. A mixed family—a family with one or more ineligible family members and one or more eligible family members—may receive prorated assistance, continued assistance, or a temporary deferral of termination of assistance. 5. Applicants who hold a noncitizen student visa are ineligible for assistance, as are any noncitizen family members living with the student. For Section 1: Program Eligibility HUD Occupancy Handbook 3-26 06/07 Chapter 3: Eligibility for Assistance and Occupancy 4350.3 REV-1 noncitizen students with a citizen spouse or citizen children.

Applicants and tenants must provide adequate documentation to verify the complete and accurate SSNs assigned to all household members. Adequate documentation means a social security card issued by the Social Security Administration (SSA), an original document issued by a federal or state government agency, which contains the name and SSN of the individual along with identifying information of the individual, or other acceptable evidence of the SSN listed. All applicants and tenant household members must disclose and provide verification of the complete and accurate SSN assigned to them except for:

- Individuals who do not contend eligible immigration status in mixed families.
- Tenants who were 62 or older as of January 31, 2010 and whose initial determination of eligibility was begun before January 31, 2010.
- Persons under the age of 6 in applicant households that were added to the applicant household within the 6 month of the date of admission. The family must disclose and provide verification of the SSN within 90 days of the date of admission. An additional 90 day extension must be granted if delays are due to circumstances beyond the family's control.

An applicant may not be admitted until SSNs for all household members have been disclosed and verification provided. If all household members have not disclosed and/or provided verification of the SSNs at the time a unit becomes available, the next eligible applicant must be offered the available unit. The applicant who has not disclosed and provided verification of SSNs for all household members must disclose and provide

verification of SSNs for all household members to the owner within 90 days from the date they are first offered an available unit. After 90 days, if the applicant has been unable to supply the required SSN and verification documentation, the applicant will be determined ineligible and removed from the waiting list.

When adding a new household member who is under the age of six to an existing household, the tenant must disclose and provide verification of the SSN of the individual to be added within 90 days of adding the new member. An additional 90 day extension must be granted if delays are due to circumstances beyond the family's control.

The documentation necessary to verify the SSN of an individual who is required to disclose his or her SSN is one of the following documents:

- *Original Social Security card
- *Original document issued by a federal or state government agency which contains the name, SSN, and other identifying information of the individual*
- * Driver's license with SSN
- * Identification card issued by a medical insurance provider, or by an employer or trade union.
- * Earnings statements on payroll stubs
- * Bank statement
- * Form 1099
- * Benefit award letter
- * Retirement benefit letter
- * Life insurance policy
- * Court records

If the applicant cannot supply the original Social Security card and supplies one of the documents listed above, the applicant must also certify that the other document provided is complete and accurate.

2. WAITING LIST/ PRIORITIES

All applications are placed on a master list by date and time received, name of the applicant, estimated income and any special comments. Every application is tracked. Those rejected due to ineligibility by income or occupancy status are notified of rejection and the master list so noted.

Selection priorities include households with incomes at 30% of median or below, disabled applicants who need the features of adapted units and if this property also has Tax Credits, households with incomes at 60% of median or below.

All applicants may inquire at any time as to their chronological place on the waiting list. All priorities in regard to waiting lists and tenant selection in addition to eligibility regulations for income and occupancy will be explained to all applicants.

A waiting list update will occur at least once every 12 months. Applicants who do not respond to the waiting list update within 5 working days will be removed from the waiting list with appropriate written notice.

3. SELECTION/REJECTION

Applicants who meet the income/occupancy guidelines, and in order of preferences if in use, still need to meet management selection criteria for final approval as residents.

Applicants must complete the application in full and supply references to be checked. Since management staff are available to answer any questions an applicant may have in regard to filling out the application form, incomplete applications will be returned to applicants and will only be accepted when completed in full. Managers will house no applicant without an interview, reference check and criminal background check. Two rental references are preferred. A rental history of up to 10 years may be considered when checking rental references. Some applicants may have no previous or current landlords or credit references, but nonetheless can still offer personal non-related references. Applicants whose references prove negative whether from landlord, personal, credit, or criminal back ground source may be rejected solely based on negative references. The rejection may also occur should the current living circumstances be unsanitary due to applicant damage or neglect or should the applicant have a previous history of evictions, non-payment of rent or other financial obligation, violation of previous rental agreements such as damage or destruction of units, or a history of disturbing the quiet enjoyment of neighbors or violence and harassment. Applicants found to have provided false answers on the application or at the interview would also be rejected. Applicants would not be rejected solely on the basis of race, color, sex, national origin, religion, disability, or familial status.

Handicap accessible units will be marketed to qualified handicap/disabled households who would benefit from the unit features. In the event no such households apply, or there are no eligible households, non-handicap households or households who do not need the unit features would be temporarily housed. In this circumstance, tenants would sign a lease addendum agreeing to transfer at the residents own expense to a non-adapted unit later on should an appropriate unit become available and there are households needing the benefit of the handicap accessible unit now on the waiting list. Applicants for handicap accessible units may be required to supply verification that a household member is “disabled” as defined by federal law and that their disability is one requiring the unit features.

In determining occupancy standards, the intent of project policy is to neither overcrowd nor under utilize space. Occupancy is for one (1) family per unit. Family includes, but is not limited to the following: (regardless of actual or perceived sexual orientation, gender identity, or marital status.)

1. A single person, who may be an elderly person, displaced person, disabled person, near-elderly person or any other single person; or
2. A group of person residing together and such group includes, but is not limited to:

- a. A family with or without children (a child who is temporarily away from the home because of placement in foster care is considered a member of the family);
- b. An elderly family
- c. A near-elderly family
- d. A disabled family
- e. A displaced family; and
- f. The remaining member of a tenant family

(24 CFR 5.403) Occupancy is based on number of persons in the household, and is based on counting all full time members of a household including dependent minors who are away at school but live with the applicant at recesses, unborn children or children in the process of being adopted or secured by custody action, foster children and live-in attendants. Children who live in a household 50% of the year or more are also counted towards the total household number; however, visitors, permanently confined/institutionalized household members and children on active military duty are not counted in this determination for occupancy eligibility. An occupancy standard serves to prevent the over or under utilization of units that can result in an inefficient use of housing assistance. Occupancy standards also ensure that tenants are treated fairly and consistently. By following the standards described in this paragraph, it ensures that tenants are housed in appropriate sized units and in a fair and consistent manner. If a reasonable accommodation needs to be considered, please inform the property manager at the time of application. A one bedroom for each two persons within the household practice will be followed except in the following circumstances:

- HOH and spouse will be allocated a separate bedroom
- Children under the age of 18 and over the age of 1, of the opposite sex, will be allocated separate bedrooms.
- Live-in aides will be allocated a separate bedroom.
- Documented need for an additional bedroom for medical equipment.
- Documented need for a separate bedroom for reasons related to a family member's disability, medical, or health condition.
- Other reasonable accommodations.

Ex of Occupancy standards:	1 bedroom - 2 persons
	2 bedroom - 4 persons
	3 bedroom - 6 persons
	4 bedroom - 8 persons

All households must provide positive identifications of all persons who will be part of the household, identify if anyone is pregnant, and adoption or other custody in process must have written documentation.

Applicants, in addition to HUD, Rural Development, HOME and/or LIHTC income and owner occupancy policy requirements, must also meet application, interview and reference criteria. In completing the application, all applicants must sign a release form allowing the office to verify all income, assets and allowances along with credit, personal and landlord references. The Head of Household, the spouse or co-head, and all other

adults (age 18 and older) in each applicant family must sign an Authorization for Release of Information (HUD Form 9887, 9887/A and/or 9886) prior to being accepted and every year thereafter. In addition the office is authorized to check with other agencies necessary to verify eligibility and police departments and wage matching as well. After processing and the interview have been completed, an eligible applicant will be notified of tenant selection. Applicants who wish to be a tenant or co-tenant must possess the legal capacity to sign all documents, (unless an accommodation determination for the handicapped to allow guardian signature if otherwise eligible is made), and would have to agree to complete the tenant certification process, enter into a one year lease agreement, pay a security deposit and participate in a unit inspection prior to physical occupancy of the unit. Once a unit is offered to an applicant to occupy, the applicant has 5 working days (plus 2 days mail time) to respond if they want the unit or not. If an applicant does not respond, they will be removed from the waiting list. If the applicant does accept the unit offered within the 5 working day time frame, the applicant must enter into a lease agreement for that unit within 10 working days.

This property has suspended use of federal preferences until further action. Therefore tenant selection does not take these into account.

Bed bug issues will be dealt with on a case by case basis

FOR HUD/PHA PROPERTIES ONLY

This property has access and does utilize the Enterprise Income Verification System "EIV". All members of a household (including a live-in aide) will be entered into the Existing Tenant Search module. Please see attachment "A" to review our policy. (This sentence is only used for the properties who have access to EIV) Procedure for using the EIV existing tenant search: This report identifies applicants applying for assisted housing that may be receiving rental assistance at the time of application at another Multifamily Housing or Public and Indian Housing (PIH) location. Owners must: 1. Use this report at the time they are processing an application to determine if the applicant or any applicant household members are currently being assisted at another Multifamily Housing or PIH location. 2. Discuss with the applicant if the report identifies that the applicant or a member of the applicant's household is residing at another location, giving the applicant the opportunity to explain any circumstances relative to his/her being assisted at another location. This may be a case where the applicant wants to move from his/her present location or where two assisted families share custody of a minor child. 3. Follow up with the respective Public Housing Agency (PHA) or owner to confirm the individual's program participation status before admission, if necessary, depending on the outcome of the discussion with the applicant. The report gives the owner the opportunity to coordinate move-out and move-in dates with the PHA or owner of the property at the other location. 4. Retain the search results with the application along with any documentation obtained as a result of contacts with the applicant and the PHA and/or owner at the other location

VAWA protections:

The plan, as well as House Rules where applicable, must include policies and procedures covering the VAWA protections. Owner policy must support or assist victims of domestic violence, dating violence, or stalking and protect victims, as well as members of their family, from being denied housing or from losing their HUD assisted housing as a consequence of domestic violence, dating violence, or stalking.

- A. Owners must provide notice to tenants of their rights and obligations under VAWA.
- B. Certification of Domestic Violence, Dating Violence, or Stalking:
 - 1. Owners must provide tenants the option to complete the Certification of Domestic Violence, Dating Violence or Stalking, form HUD-91066. The certification form may be made available to all eligible families at the time of admission or, in the event of a termination or start of an eviction for cause proceeding, the certification may be enclosed with the appropriate notice, directing the family to complete, sign, and return the form within fourteen (14) business days. The owner may extend this time period at his/her discretion.
 - 2. Alternately, in lieu of the certification form or in addition to it, owners may accept:
 - i. A federal, state, tribal, territorial, or local police record or court record or
 - ii. Documentation signed by an employee, agent, volunteer of a victim service provider, an attorney, or medical professional from whom the victim has sought assistance in addressing domestic violence, dating violence, or stalking or, the effects of the abuse in which the professional attests under penalty of perjury under 28 U.S.C 1746 to the professional's belief that the incident or incidents are bona fide incidents of abuse, and the victim of domestic violence, dating violence or stalking has signed or attested to the documentation.
 - 3. Owners are not required to demand that an individual produce official documentation or physical proof of an individual's status as a victim of domestic violence, dating violence or stalking in order to receive the protections of the VAWA. Owners, at their discretion may provide assistance to an individual based solely upon the individual's statement or other corroborating evidence. Owners are encouraged to carefully evaluate abuse claims as to avoid conducting an eviction based on false or unsubstantiated accusations.
 - 4. Owners should be mindful that the delivery of the certification form to the tenant via mail may place the victim at risk, e.g., the abuser may monitor the mail. Therefore, in order to mitigate risks, owners are encouraged to work with the tenant in making acceptable delivery arrangements, such as inviting them into the office to pick up the certification form or making other discreet arrangements.
- C. Confidentiality of Information:

The identity of the victim and all information provided to owners relating to the incident(s) of domestic violence, dating violence or stalking must be retained in confidence by the owner and must not be entered into any shared database or provided to a related entity, except to the extent that the disclosure is:

 - 1. Requested or consented to by the individual in writing;
 - 2. Required for use in an eviction proceeding; or
 - 3. Otherwise required by applicable law

The HUD-approved certification form provides notice to the tenant of the confidentiality of the form and the limits thereof.

- D. Retention of Information:
Owners must retain all documentation relating to an individual's domestic violence, dating violence or stalking in a separate file that is kept in a separate secure location from other tenant files.
- E. VAWA lease addendum:
Owners must have tenants sign the VAWA lease addendum, form HUD 91067.

4. REJECTION

Applicants rejected due to ineligibility by HUD, Rural Development, HOME and/or LIHTC age and /or income or owner occupancy regulations or for failure to meet management criteria will receive a written notice detailing the reasons for rejection. Should an applicant be selected and refuse occupancy for reasons other than medical or emergency situation, that applicant's name will remain on the waiting list, if requested by applicant for one time. Upon the second refusal, the applicant will be removed from the waiting list.

As previously stated, any application that is incomplete will not be processed. Applicants found to have provided false answers on the application or at the interview would also be rejected. An applicant who refuses to sign releases allowing verification by the management company of eligibility, references, etc. will be rejected. Applicants who do not meet age and/or income limits for a property would be rejected unless permission to rent to income ineligibles is in process or been received from HUD, Rural Development, and/or ADFA. Applicants who exceed the maximum allowable occupancy standards for a property would also be rejected. Applicants with negative credit, personal, landlord or police references could also be rejected. Rejection may also occur should there be a chronic history of late payment or non-payment of rent, history of eviction, non-payment of other financial obligations, intentional damage, violation of the terms of current or previous lease agreements inclusive of failure to maintain a unit in sanitary condition, or a conviction for drug manufacture, sale or distribution or anyone who would pose a direct demonstrable threat to the health and safety of other tenants or their property. Any household containing a member who was evicted in the last (5) five years from federally assisted housing for conviction of the illegal manufacture or distribution of a controlled substance as defined in section 102 of the Controlled Substances act (21 U.S.C. 802) or for conviction of any crime that is considered to be a demonstrable risk to resident safety and/or property will be denied. Any household containing a member who has been convicted of any crime that is considered to be a demonstrable risk to resident safety and/or property or convicted for the illegal manufacture of distribution of a controlled substance as defined in section 102 of the Controlled Substances Act (21 U.S.C. 802) within the last (5) five years from the offense date will be denied. Criminal conduct that indicates demonstrable risk to resident safety and/or property is defined as: murder, theft, burglary, robbery, any sex crime, arson, assault, battery, stalking, or illegal manufacture or distribution of drugs. Any household containing a member who is on parole or probation will not be denied unless the household member does not meet the (5) five year look back period due to a conviction of a crime that is considered to be a demonstrable

risk to resident safety and/or property. Criminal conduct in the past five (5) years that indicates a conviction of fraud, bribery, or any other corrupt or criminal act in connection with any federal housing program would be denied. In the event a negative criminal background check is revealed, the applicant will be mailed a letter giving them 10 days to come in to talk to the property manager to explain the circumstances surrounding the criminal activity. The property manager will listen to the applicant's explanation and consider evidence such as a conviction for the criminal activity, facts or circumstances surrounding the criminal activity, the individual's age at the time of the criminal activity, evidence of rehabilitation efforts, and evidence of the individual has maintained a good tenant history before and/or after the conviction or criminal activity. If, after listening to the applicant's explanation and considering the other factors listed in the previous sentence, applicant is denied, the applicant will be mailed a written rejection notice that will state the reason for the rejection, advise of the applicant's right to respond in writing, or to request a meeting within 14 days to dispute the rejection, and advise that persons with disabilities have the right to request reasonable accommodations to participate in the informal hearing process. Any household member's behavior, from abuse or pattern of abuse of alcohol is determined to potentially interfere with the health, safety, and right to peaceful enjoyment by other residents will be denied. Pattern of abuse of alcohol is considered to have 2 or more convictions of an alcohol related incident within a 6 month period. A preponderance of evidence must be demonstrated before terminating or disqualifying an applicant/tenant for any reason provided in this section. Applicants who have been convicted of illegal manufacturing or distributing of a controlled substance in federally assisted housing will be rejected regardless of time frame. Applicants who are subject to a lifetime registration requirement under any sex offender registration program will be rejected regardless of time frame. All applicant family members (including a live-in aide) will be run through the Dru Sjodin National Sex Offender Database (www.nsopw.gov) as part of the application process and at each annual recertification. Applicants would never be rejected arbitrarily such as on the basis of race, color, religion, sex, disability, familial status or national origin.

A household in which any member is currently engaged in illegal use of drugs or for which the owner has reasonable cause to believe that a member's illegal use or pattern of illegal use of a drug may interfere with the health, safety, and right to peaceful enjoyment of the property by other residents will be denied.

All selected tenants must agree to pay rent as determined on the HUD 50059, Rural Development form or Tenant Income Certification or Data Requirements Form, and sign that form along with the lease and attachments.

Other reasons for rejection:

- The applicant does not meet eligibility requirements for a particular unit or property
- The unit for which the family is applying must be the only residence
- The applicant is unable to disclose and provide verification of SSN's for all household members, except for those household members who do not contend eligible immigration status or tenants who were 62 or older on January 31,

2010, whose initial determination of eligibility was begun before January 31, 2010.

- The household includes family members who did not declare citizenship status, or sign a statement electing no to contend noncitizen status.
- The applicant must meet the screening standards that have been established.

5. DEPOSIT POLICY

No apartment can be occupied without paying a security deposit. Deposit will be in the amount of \$_____. The security deposit must be paid in full at lease signing. However, where a hardship exists, a payment plan could be requested, which would require a down payment of at least \$50.00 and remaining balance to be paid in full within 90 days.

If pets are allowed at this property, a pet deposit will be in the amount of \$_____. Applicants must pay a pet deposit in full at lease signing. However, where a hardship exists, a payment plan could be requested, which would require a down payment of at least \$50.00 and remaining balance to be paid in full within 90 days.

6. UNIT TRANSFER POLICY

Unit transfers are considered only for changes in household composition and medical reasons that would prohibit a resident from physically achieving peaceful enjoyment, and need for an accessible unit (example: entering, leaving, or moving about the unit). Requests for transfers must be received in writing(per the transfer policy), and **may** not be considered until after a resident has been in place for at least one (1) year, and has demonstrated to be a resident in good standing. A preference will be granted to an in-house transfer before placing an applicant from the waiting list. Transfer policies and requirements may vary depending on the property and rental program involved. Inspections will be performed prior to transfer to determine move-out costs. (ALL MOVE-OUT EXPENSES MUST BE PAID PRIOR TO TRANSFER.)

7. STUDENT ELIGIBILITY

The student rule applies to all individuals enrolled as students at an institution of higher education for the purpose of obtaining a degree, certificate, or other program leading to a recognized educational credential.

HUD Student Rule:

Owners must determine a student's eligibility for Section 8 assistance at move-in, annual recertification, initial certification (when an in-place tenant begins receiving Section 8), and at the time of an interim recertification if one of the family composition changes reported is that a household member is enrolled as a student.

Section 8 assistance shall not be provided to any individual who:

- g. Is not living with his or her parents who are receiving Section 8 assistance; and
- h. Is not individually eligible to receive Section 8 assistance or has parents (the parents individually or jointly) who are not income eligible to receive Section 8 assistance.

Financial assistance, in excess of amounts received for tuition, that an individual receives under the Higher Education Act of 1965, from private sources, or from an institution of higher education, is considered income for that individual, except for persons over the age of 23 with dependent children.

TAX CREDIT student rule:

If you are a student, you must meet one of the following exceptions in order to be eligible to live in a tax credit property:

1. All members of the household are married and entitled to file a joint tax return.

Each household must receive a copy of the 9887/A Fact Sheet, form HUD-9887, and form HUD-9887-A.

Verification of Information Provided by Applicants and Tenants of Assisted Housing

What Verification Involves

To receive housing assistance, applicants and tenants who are at least 18 years of age and each family head, spouse, or co-head regardless of age must provide the owner or management agent (O/A) or public housing agency (PHA) with certain information specified by the U.S. Department of Housing and Urban Development (HUD).

To make sure that the assistance is used properly, Federal laws require that the information you provide be verified. This information is verified in two ways:

1. HUD, O/As, and PHAs may verify the information you provide by checking with the records kept by certain public agencies (e.g., Social Security Administration (SSA), State agency that keeps wage and unemployment compensation claim information, and the Department of Health and Human Services' (HHS) National Directory of New Hires (NDNH) database that stores wage, new hires, and unemployment compensation). HUD (only) may verify information covered in your tax returns from the U.S. Internal Revenue Service (IRS). You give your consent to the release of this information by signing form HUD-9887. Only HUD, O/As, and PHAs can receive information authorized by this form.
2. The O/A must verify the information that is used to determine your eligibility and the amount of rent you pay. You give your consent to the release of this information by signing the form HUD-9887, the form HUD-9887-A, and the individual verification and consent forms that apply to you. Federal laws limit the kinds of information the O/A can receive about you. The amount of income you receive helps to determine the amount of rent you will pay. The O/A will verify all of the sources of income that you report. There are certain allowances that reduce the income used in determining tenant rents.

Example: Mrs. Anderson is 62 years old. Her age qualifies her for a medical allowance. Her annual income will be adjusted because of this allowance. Because Mrs. Anderson's medical expenses will help determine the amount of rent she pays, the O/A is required to verify any medical expenses that she reports.

Example: Mr. Harris does not qualify for the medical allowance because he is not at least 62 years of age and he is not handicapped or disabled. Because he is not eligible for the medical allowance, the amount of his medical expenses does not change the amount of rent he pays. Therefore, the O/A cannot ask Mr. Harris anything about his medical expenses and cannot verify with a third party about any medical expenses he has.

Customer Protections

Information received by HUD is protected by the Federal Privacy Act. Information received by the O/A or the PHA is subject to State privacy laws. Employees of HUD, the O/A, and the PHA are subject to penalties for using these consent forms improperly. You do not have to sign the form HUD-9887, the form HUD-9887-A, or the individual verification consent forms when they are given to you at your certification or recertification interview. You may take them home with you to read or to discuss with a third party of your choice. The O/A will give you another date when you can return to sign these forms.

If you cannot read and/or sign a consent form due to a disability, the O/A shall make a reasonable accommodation in accordance with Section 504 of the Rehabilitation Act of 1973. Such accommodations may include: home visits when the applicant's or tenant's disability prevents him/her from coming to the office to complete the forms; the applicant or tenant authorizing another person to sign on his/her behalf; and for persons with visual impairments, accommodations may include providing the forms in large script or braille or providing readers.

If an adult member of your household, due to extenuating circumstances, is unable to sign the form HUD-9887 or the individual verification forms on time, the O/A may document the file as to the reason for the delay and the specific plans to obtain the proper signature as soon as possible.

The O/A must tell you, or a third party which you choose, of the findings made as a result of the O/A verifications authorized by your consent. The O/A must give you the opportunity to contest such findings in accordance with HUD Handbook 4350.3 Rev. 1. However, for information received under the form HUD-9887 or form HUD-9887-A, HUD, the O/A, or the PHA, may inform you of these findings.

O/As must keep tenant files in a location that ensures confidentiality. Any employee of the O/A who fails to keep tenant information confidential is subject to the enforcement provisions of the State Privacy Act and is subject to enforcement actions by HUD. Also, any applicant or tenant affected by negligent disclosure or improper use of information may bring civil action for damages, and seek other relief, as may be appropriate, against the employee.

HUD-9887/A requires the O/A to give each household a copy of the Fact Sheet, and forms HUD-9887, HUD-9887-A along with appropriate individual consent forms. The package you will receive will include the following documents:

1. **HUD-9887/A Fact Sheet:** Describes the requirement to verify information provided by individuals who apply for housing assistance. This fact sheet also describes consumer protections under the verification process.
2. **Form HUD-9887:** Allows the release of information between government agencies.
3. **Form HUD-9887-A:** Describes the requirement of third party verification along with consumer protections.
4. **Individual verification consents:** Used to verify the relevant information provided by applicants/tenants to determine their eligibility and level of benefits.

Consequences for Not Signing the Consent Forms

If you fail to sign the form HUD-9887, the form HUD-9887-A, or the individual verification forms, this may result in your assistance being denied (for applicants) or your assistance being terminated (for tenants). See further explanation on the forms HUD-9887 and 9887-A.

If you are an applicant and are denied assistance for this reason, the O/A must notify you of the reason for your rejection and give you an opportunity to appeal the decision.

If you are a tenant and your assistance is terminated for this reason, the O/A must follow the procedures set out in the Lease. This includes the opportunity for you to meet with the O/A.

Authority: Section 217 of the Consolidated Appropriations Act of 2004 (Pub L. 108-199). This law is found at 42 U.S.C.653(J). This law authorizes HHS to disclose to the Department of Housing and Urban Development (HUD) information in the NDNH portion of the "Location and Collection System of Records" for the purposes of verifying employment and income of individuals participating in specified programs and, after removal of personal identifiers, to conduct analyses of the employment and income reporting of these individuals. Section 904 of the Stewart B. McKinney Homeless Assistance Amendments Act of 1988, as amended by section 903 of the Housing and Community Development Act of 1992 and section 3003 of the Omnibus Budget Reconciliation Act of 1993. This law is found at 42 U.S.C. 3544. This form also authorizes HUD, the O/A, and the PHA to seek wage, new hire (W-4), and unemployment claim information from current or former employers to verify information obtained through computer matching.

Uses of Information to be Obtained: HUD is required to protect the income information it obtains in accordance with the Privacy Act of 1974, 5 U.S.C. 552a. The O/A and the PHA is also required to protect the income

information it obtains in accordance with any applicable State privacy law. After receiving the information covered by this notice of consent, HUD, the O/A, and the PHA may inform you that your eligibility for, or level of, assistance is uncertain and needs to be verified and nothing else.

HUD, O/A, and PHA employees may be subject to penalties for unauthorized disclosures or improper uses of the income information that is obtained based on the consent form.

Who Must Sign the Consent Form: Each member of your household who is at least 18 years of age and each family head, spouse or co-head, regardless of age, must sign the consent form at the initial certification and at each recertification. Authority for Requiring Applicant's/Tenant's Consent to the Release of Information

Section 904 of the Stewart B. McKinney Homeless Assistance Amendments Act of 1988, as amended by section 903 of the Housing and Community Development Act of 1992. This law is found at 42 U.S.C. 3544.

In part, this law requires you to sign a consent form authorizing the Owner to request current or previous employers to verify salary and wage information pertinent to your eligibility or level of benefits.

In addition, HUD regulations (24 CFR 5.659, Family Information and Verification) require as a condition of receiving housing assistance that you must sign a HUD-approved release and consent authorizing any depository or private source of income to furnish such information that is necessary in determining your eligibility or level of benefits. This includes information that you have provided which will affect the amount of rent you pay. The information includes income and assets, such as salary, welfare benefits, and interest earned on savings accounts. They also include certain adjustments to your income, such as the allowances for dependents and for households whose heads or spouses are elderly handicapped, or disabled; and allowances for child care expenses, medical expenses, and handicap assistance expenses.

Purpose of Requiring Consent to the Release of Information

In signing this consent form, you are authorizing the Owner of the housing project to which you are applying for assistance to request information from a third party about you. HUD requires the housing owner to verify all of the information you provide that affects your eligibility and level of benefits to ensure that you are eligible for assisted housing benefits and that these benefits are set at the correct levels. Upon the request of the HUD office or the PHA (as Contract Administrator), the housing Owner may provide HUD or the PHA with the information you have submitted and the information the Owner receives under this consent.

Uses of Information to be Obtained

The individual listed on the verification form may request and receive the information requested by the verification, subject to the limitations of this form. HUD is required to protect the income information it obtains in accordance with the Privacy Act of 1974, 5 U.S.C. 552a. The Owner and the PHA are also required to protect the income information they obtain in accordance with any applicable state privacy law. Should the Owner receive information from a third party that is inconsistent with the information you have provided, the Owner is required to notify you in writing identifying the information believed to be incorrect. If this should occur, you will have the opportunity to meet with the Owner to discuss any discrepancies.

Who Must Sign the Consent Form

Each member of your household who is at least 18 years of age, and each family head, spouse or co-head, regardless of age must sign the relevant consent forms at the initial certification, at each recertification and at each interim certification, if applicable. In addition, when new adult members join the household and when members of the household become 18 years of age they must also sign the relevant consent forms.

Persons who apply for or receive assistance under the following programs must sign the relevant consent forms:

Rental Assistance Program (RAP)
Rent Supplement
Section 8 Housing Assistance Payments Programs (administered by the Office of Housing)
Section 202
Sections 202 and 811 PRAC
Section 202/162 PAC
Section 221(d)(3) Below Market Interest Rate
Section 236
HOPE 2 Home Ownership of Multifamily Units

Failure to Sign the Consent Form

Failure to sign any required consent form may result in the denial of assistance or termination of assisted housing benefits. If an applicant is denied assistance for this reason, the O/A must follow the notification procedures in Handbook 4350.3 Rev. 1. If a tenant is denied assistance for this reason, the O/A must follow the procedures set out in the lease.

Conditions

No action can be taken to terminate, deny, suspend or reduce the assistance your household receives based on information obtained about you under this consent until the O/A has independently 1) verified the information you have provided with respect to your eligibility and level of benefits and 2) with respect to income (including both earned and unearned income), the O/A has verified whether you actually have (or had) access to such income for your own use, and verified the period or periods when, or with respect to which you actually received such income, wages, or benefits.

A photocopy of the signed consent may be used to request the information authorized by your signature on the individual consent forms. This would occur if the O/A does not have another individual verification consent with an original signature and the O/A is required to send out another request for verification (for example, the third party fails to respond). If this happens, the O/A may attach a photocopy of this consent to a photocopy of the individual verification form that you sign. To avoid the use of photocopies, the O/A and the individual may agree to sign more than one consent for each type of verification that is needed. The O/A shall inform you, or a third party which you designate, of the findings made on the basis of information verified under this consent and shall give you an opportunity to contest such findings in accordance with Handbook 4350.3 Rev. 1.

The O/A must provide you with information obtained under this consent in accordance with State privacy laws.

If a member of the household who is required to sign the consent forms is unable to sign the required forms on time, due to extenuating circum-

stances, the O/A may document the file as to the reason for the delay and the specific plans to obtain the proper signature as soon as possible.

Individual consents to the release of information expire 15 months after they are signed. The O/A may use these individual consent forms during the 120 days preceding the certification period. The O/A may also use these forms during the certification period, but only in cases where the O/A receives information indicating that the information you have provided may be incorrect. Other uses are prohibited.

The O/A may not make inquiries into information that is older than 12 months unless he/she has received inconsistent information and has reason to believe that the information that you have supplied is incorrect. If this occurs, the O/A may obtain information within the last 5 years when you have received assistance.
