

## Happy Father's Day

# HOLE 1 IN 1

## CONGRATULATIONS!

It was deja vu all over again at Big Creek Golf & Country Club as member Russell Kish made his second hole in one in as many weeks. In Big Creek men's league Tuesday night, Russell used a 6-iron on the 131-yard, par-three sixth hole for the ace. Last week it was hole #4.

# HOLE IN 1

## CONGRATULATIONS!

Congratulations to Big Creek Golf & Country Club member Tommy Strickland for a big double achievement on Tuesday, May 14. Mr. Strickland made his 6th career hole-in-one on hole #6 with an 8-iron from 143 yards. The ace also helped the 68-year-old shoot his age for the first time ever en route to a five-under-par 67 from the 6,197-yard white tees at Big Creek. Mr. Strickland is the 2011 Open Match-Play Club Champion and the five-time Senior Match-Play Club Champion with wins in 2011, 2013, 2015, 2018, and 2023. Note the dual win in 2011.

# CART RESTRICTIONS

As the golf course superintendent, I'm here to ask for all member's help.

Over the last few years, we've noticed:

- Members not driving the cart path when it's cart path only
- Not abiding by cart signs
- Driving around the back sides of greens
- Some driving right up to the edge of the green with their cart

What I am asking of you, as a member, is to help our staff by abiding by the daily course driving restrictions. They should be given to you by the pro shop staff before play. Whatever the restrictions of the day may be, please help us by respecting the decisions we've made.

Trust me, I'm not a fan of cart path only, and we don't do it to make people mad or punish anyone. There is a reason for where golfers are and aren't allowed to drive. I also know many of you are aware of where to drive and where not to drive, but some members don't (public players surely don't).

Once again, I'm asking for your help. Without our members' help and ownership of this situation, this issue will continue. This isn't being brought up to accuse anyone specifically, as I'm the one who's let it get to this point. Hopefully, this can be a start for member participation with an issue that unchecked could do serious damage to the golf course. I do appreciate all our members, and if you have any questions, then don't hesitate to contact me.

# JUNIOR ACADEMY

As a way of introducing more juniors to golf, we have developed a junior academy for junior's ages 10-17 who would like to learn the game of golf. We have a program that offers great benefits, but at a cost that is a little more than your standard junior camp. This program runs 16 weeks from April 18th through August 8th. Limited to a maximum of 24 participants.

We would like all capable to play in the Chuck Morton Junior as well as others if possible.

I understand that with the length of the academy that some practices or play days will be missed, because of vacation, weekends at the lake, and other life activities, and that is okay. My goal is to create a route for junior players to advance their game to play high school golf and, if interested, help place to play collegiate golf.

For more information, contact James Stanofski at [James.Stanofski@BigCreekGolf.com](mailto:James.Stanofski@BigCreekGolf.com)

Anyone who is playing with a group that can verify their score for holes please turn in to the golf shop. There will be a box on the golf shop counter for this. We will need a combination of tees from Men (from Blue to Gold) and Ladies (Red) so anyone can help with this. Please be sure to have names on the scorecard and date. We will need to have 500+ scores to calculate new hole by hole handicap. (these are the handicaps you see on the course that makes hole 7 the hardest hole currently)

## BIG CREEK WINS THE 2024 OZARKS CUP VS. HARRISON CC FOR THE 5TH YEAR IN A ROW!

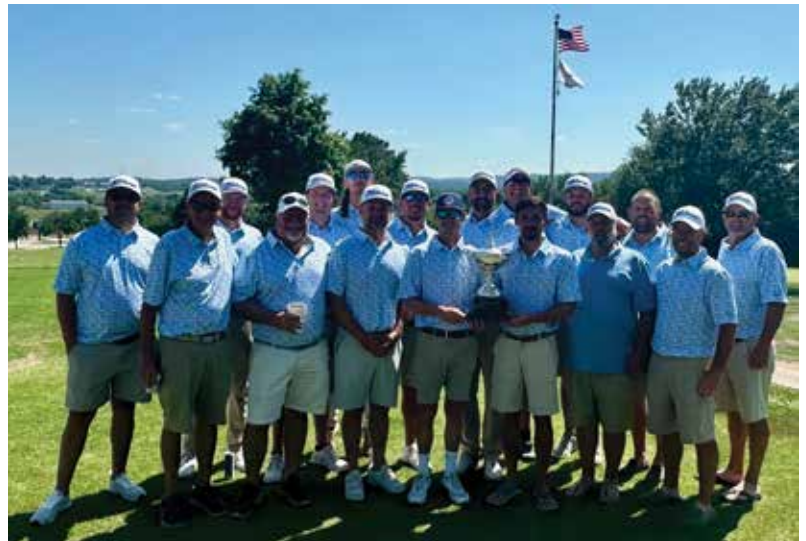

The 2024 Big Creek Golf & Country Club Cup Team successfully defended the Ozarks Cup for a fifth straight victory over Harrison Country Club last weekend thanks to a powerful comeback which saw Big Creek win the last five matches on the course to go from being down 16.5 to 11.5 to scratch out a tie at 16.5 to 16.5. The Cup remains with the defending champions in the event of tie.

Big Creek's Randy Lunceford, playing in the last match on the course in front of a huge crowd at Harrison, went into the 18th hole of his match vs Harrison's Courtney Garland with a scant 1UP lead. If Garland could win the hole he would secure a half point and Harrison would win 17-16. Instead Lunceford thrillingly sank a clutch birdie putt on the 18th green to win his match and secure the Cup for Big Creek.
