Registered Nursing (RN) Students

Registered Nursing students must meet the standards and requirements for admission to ASUMH, which include a formal application for admission including the submission of all required admission credentials. (See Admission Requirements.)

The RN program is a one calendar year (three semester) program.

Application to the RN program does not guarantee admission. Class size is limited and all applicants may not be accepted into the program. Information on specific deadlines may be found on the ASUMH website.

There is a competitive admissions process based on:

1. Registered Nursing Program application
2. Must be 18 years of age by the start date of the first semester admitted into the program
3. HESI Admissions Exam
 - a. LPNs take the HESI LPN-ADN Entrance Exam – Minimum score of 750 recommended
 - b. Paramedics take the HESI EMS-ADN Entrance Exam – Minimum score of 650 recommended
 - c. Traditional RN students will take the HESI A2 Exam – Minimum score if 75% recommended
4. ACCUPLACER Next Generation Reading score of 252 or greater
5. Successful completion of any remedial courses.
6. Completion of all prerequisite courses with a grade of “C” or higher
7. Prerequisite courses in progress during the application period with a midterm grade of “C” or higher; conditional admission may be granted pending successful course completion with a final grade of “C” or higher
8. A minimum cumulative GPA of 2.5
9. Proof of either LPN or EMT-P license required for the LPN/Paramedic to RN program and documentation of four month of full-time employment as a licensed practical nurse or licensed paramedic.

At the time of acceptance, students will need to complete a criminal background check. Students who have previously been convicted of a crime may be restricted from certain clinical facilities and may be ineligible to take the NCLEX-RN. It is possible to complete a program of study at ASUMH and be denied the opportunity to take the NCLEX-RN by the Arkansas State Board of Nursing. (See the Academic Programs section for more information.)

Students whose primary language is not English must take the Test for English Foreign Language (TOEFL). A passing score of 540 on the paper examination, 207 for the computerized examination, or 83 on the Internet based examination is required.

After the selection process is complete, applicants will receive, by mail, notification of acceptance or denial.
