2025-26 Cotter High School Improvement Plan

OUR TRIBE IS ALL IN

Cotter High School provides holistic opportunities for each student to reach their full potential.

Collective Commitments

- We will monitor each student's learning to inform and improve instruction whether in traditional school, virtual or blended environment.
- We will provide families with resources, strategies and information to keep them engaged in their child's education.
- We will work collaboratively and take collective responsibility for the success of each student.
- We will hold each other accountable for student learning and developing each student's potential.
- We will model everything we expect from our students, including life-long learning, positive behaviors, and respect.

Cotter High School Improvement plan is a continuous cycle of studying data, planning for improvement, following the plan, checking on the success of the plan, then starting all over again by studying the data, planning for improvement, following the plan, and checking for success of the plan, etc.
