

Campus Hazing Transparency Report (CHTR)

Arkansas State University – Mountain Home

Reporting Period: January 1 – December 21, 2025

Date Posted: December 21, 2025

Next Scheduled Update: June 30, 2026

1. Introduction

In accordance with the **Stop Campus Hazing Act**, Arkansas State University – Mountain Home is required to publicly report organizations found responsible for hazing violations and provide details of those violations. This report is published in a prominent and easily accessible location on the institution's website and will be updated at least twice per year.

2. Report of Hazing Violations

Below is a summary of student organizations found responsible for hazing during the reporting period.

No student organizations were found responsible for hazing violations during this reporting period.

3. Definitions

Hazing: *Any intentional, knowing, or reckless act committed for the purpose of initiation, affiliation, or continued membership in a student organization that endangers the physical or mental health of a student, regardless of consent.*

Student Organization: *Any group, team, club, society, or similar body that includes students, whether recognized by the institution or not.*

4. Reporting Hazing

To report hazing or suspected hazing, contact:
