How to Sign Up

It is easy. A primary member (parent, grandparent, or relative) must be a joint owner on the child's membership, provide the child's Social Security Number if under 9. If the child is 9 to 12 they have to come in with a school ID and sign for themselves. It is a minimum deposit of \$5.00 that must remain in the account to keep it open.

Key Information to Keep Updated!

- **Phone & Email:** Ensure you receive real-time fraud alerts and text confirmation.
- **Physical Address:** Crucial for receiving official, secure correspondence.
- **Beneficiary Information:** Ensures your account, in case of emergency, is handled according to your wishes.
- **Joint Owner Info:** Verify that the contact information for joint owners is also accurate.

Dorman Accounts

IS YOUR ACCOUNT ACTIVE?

Don't let your account go dormant!

It's easy to activate your account.

1. Make a deposit
2. Perform a withdrawal

A Pine FCU account is considered “dormant” if there is no activity (deposit or withdrawal) for 12 months or longer.

Members with dormant or abandoned accounts will receive notification letters on how to reestablish their accounts to active status. If you do not take action the State of Arkansas mandates that any account that meets the state's dormant account criteria must be reported as unclaimed funds or escheated. For more information on dormant and escheat accounts you can visit the [State of Arkansas Unclaimed Property](http://www.claimitar.gov) website at www.claimitar.gov.
